Pine Grove Rule Appeal Filed

Assessors Complete East County, Now in Concord

Equalization of eastern Contra Costa County has been completed and assessment crews are now working in the city of Concord, County Assessor C. L. Dunklee stated this week.

Two 14 man crews are now in operation, the assessor said, since six vacant positions have been filled this week.

THOUGH THIS IS the working force allotted the assessor's office by the Board of Supervisors a year ago, Dunklee said that this is the first time that two crews have actually been in the field.

Dunklee's three-year plan for complete equalization of the county has received "complete cooperation," he said.

DUNKLEE SAID the power company had protested to the state board and evidently planned to use this protest as a pilot model which would scale the state's assessment formula of 50 per cent of actual value down to the statewide county average of approximately 25 per cent.

THE COUNTY ASSESSOR said that assessment will begin in Pleasant Hill early in the fall. "Some token raises have already been made for some highway fronting properties where the market value was glaringly low," Dunklee stated, "but we will go through Pleasant Hill lock, stock and barrel when our crews begin working there in a couple of months."

Dunklee stated that a bill passed in the recently-concluded legislative session relating to agricultural assessment has caused "some confusion" and considerable telephone calls to his office.

THE NEW LAW, authored by Senator George Miller Jr. will enable agricultural land—even inside a city—to be assessed agriculturally as long as the land is used for farming purposes.

"Every agriculturalist thinks that this bill will materially reduce the value of assessments," Dunklee said, "but this is not so. If a person is a true agriculturalist and not a speculator, however, we will go along with him," the assessor stated.

Dunklee said that under the present practice there is no immediate increase in assessment if a parcel of land is changed to another zoning. The increase begins, he said, when "the development is actually there."

DUNKLEE STATED THAT his crews have taken the books of agricultural producing lands over a three-year basis and averaged the profits in an effort to arrive at a fair tax based upon income. He reiterated that his office experienced "no difficulties and 100 per cent cooperation" in equalizing the primarily agricultural eastern end of the county.

Supervisors Chop Another Cent off County's Tax Rate

Supervisors of Contra Costa County chopped another cent off the tax rate last Thursday in Martinez and set August 20 for public hearing of the \$32 million plus preliminary budget.

The budget, now totaling \$32,442,394, will be available for distribution next Friday, according to the supervisors.

The budget established a tax rate of \$2.17 per hundred of assessed valuation against last year's tax rate of \$2.20. The tax rate in the City of Richmond is slightly lower than the rest of the county since it operates its own library system. The expected tax rate there is \$2.08.

Additional budget cuts were made in the highway department, \$380,000 Orinda Village Bypass contract payments which will not be made during the fiscal year, \$150,000; cuts in highway budget for Pleasant Hill, \$110,000; other parts of Orinda \$30,000; Geary Road and Kierker Pass rights of way chopped another \$40,000 off the budget.

The board trimmed some \$35,000 from the unappropriated general fund reserve, \$50,000 of the \$100,000 for the land acquisition for a Boy's Camp requested by the Grand Jury and \$35,000 earmarked for park use.

In other cuts the board slashed \$35,000 from the capital outlay and \$80,000 from welfare programs.

County Files Suit Against 97 Orinda Property Owners

A court order has been granted Contra Costa County immediate possession of 31.3 acres sought by the county for construction of a \$1,170,000 Orinda Village Bypass.

Suit has been filed by the county against 97 property owners to obtain permanent possession of the land.

SUPERIOR JUDGE Homer Patterson signed the order Monday which gave the county immediate possession of the disputed land by posting \$72,705 with the court to cover potential damage awards by a jury.

Only nine of the parcels were valued by the county in excess of \$100.

Owners, acreages and amounts posted by the county for each include: SHELL OIL COMPANY, 10.47 acres, \$750; East Bay Municipal Utility District, 14.971 acres, \$760; L. H. Woolsey, .210 of an acre, \$200; E. B. Esmond and Mr. and Mrs. H. B. Putney, .616 of an acre, \$2500; E. I. de la Vega, .19 of an acre, \$650.

Mr. and Mrs. E. H. Fisher, .231 of an acre, \$1750; Mr. and Mrs. L. H. Spight, .621 of an acre, \$2800; Mr. and Mrs. W. J. Smith, .315 of an acre, \$20,500; and Mr. and Mrs. F. H. Monsen, .251 of an acre, \$17,500.

Swimming, Dive Meet Is Sunday

A synchronized swimming and diving meet will be held Sunday at the Sleepy Hollow Pool, Orinda, under the sponsorship of the Sleepy Hollow Recreation Association and the Pacific Association of the A.A.U.

Diving finals will be held at 12 noon, and synchronized swim finals will be at 1:30 p.m.

Synchronized swimming and diving events will be held for the age groups, and there will be open events for team and duet synchronized swimming.

Participants will come from Club, S. F. Recreation Department, the Athens Athletic Club, Moosemen, Soltan Swim Club and Howell Swim Club.

Barbara Serpa of the Sleepy Hollow team and Gail Baker of the Frank McGuigan Swim School will be among the junior Olympic champions attending.

Other members of the Orinda Sleepy Hollow team are as follows: Sue Davis, Allison Hanniford, Ricky Layne, Andy DeGross, Steve Hanniford, Peter Boyle, Francis Gillespy and Mimi Case.

Association Protests Court Zone Decision

On the last day available for appeal, the Orinda Association has protested a Superior Court judgment allowing Pacific Intermountain Express Company to construct an office near the Pine Grove near Orinda Crossroads.

The appeal was filed Friday to a decision upholding a county ordinance denying an association suit which contended that the district should not be rezoned.

THE RESULT of the decision upheld in effect the rezoning ordinance enacted by the County Board of Supervisors.

The board had rezoned the area from residential agricultural to administrative office at the request of the PIE company.

Five of nine voting members of the Orinda Association Board of Directors originally decided to appeal the decision, with Holland Dubois sending a letter casting the lone dissenting vote.

THE 10½ ACRE parcel is up for sale for \$142,000. Two years ago, the East Bay Municipal Utility District sold the land to PIE for \$106,000.

The association has contended that the land would be best suited to retention of a residential-agricultural zoning.

At this week's special meeting of the Orinda Association planning committee property owners also reviewed potentialities of a Planned Neighborhood Shopping Center.

SOME of the neighborhood businesses are expected to suffer interference from realignment of the San Pablo Creek in connection with the new Orinda Bypass project.

Further study was given to reported county plans to culvert over a section of the creek.

The rest of the creek would presumably be left with an open channel lining.

Local Television Transmitter Is Urged by Chamber

Additional opposition to the granting of a television license for the Bay Area, which would allow the location of the transmitter tower west of the Berkeley-Oakland hills, is being spearheaded by the Walnut Creek Chamber of Commerce.

The local Chamber has contacted some 25 similar organizations in Contra Costa and Solano Counties with full information on the matter together with a request for action directed to the Federal Communications Commission. A check made today showed that the groups are responding with letters and wires of protest to the FCC.

THE PROPOSED NEW license, Channel 2, would be granted to an applicant planning to establish the tower on the west side of the hills thereby depriving the rapidly expanding Contra Costa and Solano areas of clear signal reception. Added information was given the matter when it was learned that the license would be the final grant for the San Francisco Bay Area, as explained in an editorial in The Sun.

THIS ALLOWS the San Francisco-Oakland Peninsula area to sign off and relegate the great majority of Contra Costa and Solano Counties to the fringe area category.

The Walnut Creek Chamber has already forwarded a strong protest to the FCC. Direct opposition in Washington has been lodged by Congressman John Baldwin and all persons and groups contacting the FCC have asked for a review of the problem prior to final action.

49ers Look Good, Albert Tells Rotary

Frankie Albert, head coach of the San Francisco Forty-Niners, told the Orinda Rotary Club Wednesday that the outlook for his professional team was for a "good" gridiron season this fall.

Speaking at the weekly luncheon meeting of the club at the Orinda Willows, Albert described the prospects of the Forty-Niners who started training last Sunday at St. Mary's College, Moraga.

The coach said there were a number of rookies for whom he had high hopes.

Albert was introduced by Ramsey Underwood, program chairman. President Robeson Smith conducted the meeting.

At next Wednesday's 12:15 p.m. luncheon meeting of the Orinda Rotary Club at the Orinda Willows, the guest speaker will be Dr. Peter Conner, LL.B., Ph.D., director of Oakland Public Libraries. He will talk on "The History of Orinda."

Will Graduate Today

David Baylet Cranston of Orinda will receive his B.A. degree at the Summer Session commencement exercises to be held at 3:30 p.m. today at San Jose State College.

WHAT WILL BE the disposition of the Orinda Association's property? This is the question being asked by many residents. Can the association sell the property to the Orinda Community Church? Will the Association deed a fifty foot strip to the Library Association? These questions are expected, by observers, to be answered in the near future. Sun Photo by Harry Maroulas

Sub-Station Row Between Nielsen, Jagard Continues

"If all the central county needs is a direct line to Martinez for police protection, why was a \$31,000 sub-station built there," Supervisor Mel Nielsen asked Under-Sheriff John Jagard Tuesday in Martinez.

Jagard contended that there is no need at the present to keep the sheriff's Lafayette sub-station open more than nine hours daily, Monday through Friday.

HE STATED that the proposal of Nielsen for a 17 to 24 hour, seven-day operation at the sub-station with additional patrols for the Orinda, Walnut Creek, Moraga, Lafayette, Pleasant Hill area were unnecessary at the present time.

Direct telephone lines to Martinez would solve the problem of area residents calling the sub-station after it closes at 5 p.m., said Jagard.

Patrol cars can be dispatched faster from the central office than by a nighttime clerk in Lafayette who would have no radio facilities he claimed.

Supervisor Mel Nielsen has contended that jail facilities are never used at the Lafayette site and said that the sheriff has demanded additional floor space which has never been used.

"IT IS ONE of the few buildings in the county truly designed for future use," Jagard countered.

"Many people have accused the board of politics in matters concerning the sheriff, but here is a case where the sheriff's department just can't get together, Nielsen said.

Brown first says he needs a large building, then jail facilities, and just a few months later his undersheriff says that there's no need for the building now but will be some time in the future," commented Nielsen.

THE ORIGINAL discussion of the sub-station was brought up at Brown's request to close down the \$1 million Arnold Industrial Highway radio center. The board will decide on the fate of the radio center on August 13.

Even in the matter of the radio center two Brown aides differ as to the matter of settling the problem.

George K. Burton, communications chief and William Goben, chief radio technician, differed almost completely with the board.

G. H. EEN SAID that radio equipment could be moved into the county administration building. Burton urged the equipment be left where it is.

Normand Will Study at Davis

George Richard Normand of Orinda has been admitted as a student at the University of California, Davis, for the coming fall semester, Registrar Howard B. Shontz reports.

Utility Company Requests Could Cost \$7 Millions

A major battle is expected to develop in Sacramento Monday when the Pacific Gas and Electric Company will meet head on with the Board of Equalization to protest the assessment of its recently acquired Pinole Light and Power Company.

C. L. Dunklee, county assessor, told the Board of Supervisors in Martinez Tuesday that if PG&E should win a decision of the Board of Equalization it could cost Contra Costa County over \$6 million in taxes.

THE SUPERVISORS of both Contra Costa County and Alameda County have gone on record in opposition to the move that would shift a great part of the burden of taxes from the utility company to the individual taxpayers.

"If they (Pinole Light and Power, a wholly-owned subsidiary of PG&E) succeed in this, it would mean cutting public utility assessments in the county from an estimated \$167 million to \$83 million. This at an average \$8 rate would mean a loss to the county of nearly \$7 million."

Leslie E. Carbert, tax analyst for PG&E appeared before the board. He said it was the purpose of the company to seek the

Garbage Rates In Lafayette, Orinda Go up

Effective yesterday, garbage collection rates are increased in both Lafayette and Orinda.

Customers have been notified by the Lafayette Garbage Disposal Service and the Orinda Garbage and Refuse Disposal Service.

IN EACH community the basic monthly rate goes up 25 cents. In Lafayette, the basic monthly rate — for a regular-sized garbage can — is increased from \$1.25 to \$1.50.

In Orinda, the basic monthly rate is increased from \$1.50 to \$1.75.

INCREASED operating costs were cited as the reason for the rate increase, by the garbage firm owners — Lou Repetto and Art DiGrazia of the Lafayette Garbage Disposal Service, and Joe Navone and Al Burastero of the Orinda Garbage and Refuse Disposal Service.

As an example of increased operating costs, Navone pointed out that a garbage truck, which formerly cost about \$5000, now costs about \$7000.

He also said that both garbage firms have had to purchase considerable additional acreage at the Vine Hill dump, because all burning of garbage and refuse will be banned as of October 1. From then on, he explained, garbage must be disposed of by the "fill and cover" method.

Holdup Men Are Captured

A police stakeout in San Francisco resulted in the apprehension of two ex-convicts who robbed Alamo's Shady Way Inn of \$200 early Monday morning and in a powerful car led 11 pursuing police cars a merry chase in the San Ramon area.

Taken into custody were Herbert C. Byerley, 35, of Sacramento, and James H. Rosenberger, 25, of San Francisco.

The pair were approaching the house of Byerley's girl friend on Clayton Street, San Francisco, when they were arrested.

THE ACTION began shortly after midnight Sunday morning, when the two marched into the Inn, one holding a paper bag and the other a sawed-off shotgun.

Bartender Edward Nelson of 38 Mira Loma, Orinda, was ordered to fill the bag with cash, and the Inn's owner, Mrs. Maude Wagner, told him to obey.

A patron, Bill Parks, ran after the thugs as they raced for their car, but returned to the protection of the Inn when a warning shot was fired at him.

Another patron, Herky Muara, four Alameda Sheriff's cars and three highway patrol cars.

The escapers managed a tight U-turn in front of an Alameda car on the Crow Canyon Road, near Norris Canyon Road, and headed for Highway 21 south of San Ramon.

They made their getaway by turning into Bishop Ranch and losing the officers in the orchards as darkness fell.

The car was found abandoned at about 6 a.m., and inside were papers and letters with the names of two ex-convicts.

Detective work and the cooperation of the San Francisco police brought about their capture, and they were returned to the Concord municipal court, where they admitted the robbery. Bail was set by Judge John Garavanta at \$5000 each.

25, of 1206 Livorna Road, was not so lucky. He jumped into his car and followed the robbers. He lost control of his car and rolled into a ditch suffering a possible skull fracture.

THE PURSUIT joined four Contra Costa County Sheriff's cars,

Fraga Target of Petition To Governor, Says Lawyer

By POLITICUS
A petition circulated among Contra Costa attorneys purported to block a "mid-county" appointment for the county's newly created superior judgeship is directed squarely at Martinez Judge Tom Fraga, The Sun learned this week.

According to a Contra Costa daily newspaper, the petition was reportedly addressed to Governor Goodwin Knight asking that no central county candidate be appointed to the judgeship.

HOWEVER, A prominent mid-county attorney who asked that his name not be used told The Sun this week that "the petition was directed squarely against Tom Fraga."

"The majority of attorneys signing the petition simply felt that appointing Fraga would not be in the interests of justice," he said.

"The daily newspaper story," this attorney continued, "makes it appear that this petition is west against the east. In fact, it is west and east against Fraga."

That the appointment of Fraga "would make bench and bar relations difficult since mutual respect is necessary if the judge's and attorney's work is not to be impeded."

Fraga is the leading Republican candidate among several attorneys mentioned for the job.

The attorneys involved in the petition, however, represent only a small percentage of the county's lawyers, 10 per cent according to some estimates.

FRAGA STILL seems to be the leading candidate for the job.

Supervisors Get San Ramon Balk On Highway 21

Businessmen and property owners in the San Ramon area have protested to the Contra Costa County Board of Supervisors the proposed route of Highway 21 through the center of the town.

Petitions, submitted to the supervisors Tuesday in Martinez, claim the route designated A-1 which would follow the highway's present alignment would "remove most of the existing business and could jeopardize any future business development in the area."

A special hearing was set for yesterday afternoon to air protest of the A-1 route approved by the supervisors and the planning staff of the county. The meeting was called by the State Division of Highways.

Sassone Wins Company Tilt

A. J. Sassone, Orinda representative of The Lincoln National Life Insurance Company, was a winner in the company's nationwide President's Month sales contest, according to Cecil F. Cross, Vice President and Director of Agencies. Honoring Walter O. Menge, company president, the contest is based on amount of insurance sold during one month.

however, since most of the other candidates are Democrats.

Other candidates mentioned for the job include Assistant District Attorney Tom McBride, Concord Municipal Judge John Garavanta and Richmond attorney Vance Portier, all Democrats.

ASSEMBLYMAN DONALD Doyle, the county's only Republican legislator, is apparently supporting Fraga.

The questions still seems to be: Could the governor conceivably appoint a Democrat to a single judgeship vacancy when a prominent and veteran Republican judge is a candidate?

General Dies In Lafayette

Major General James Lester Bradley, retired, former chief of staff at the Presidio World War II and commander of the 96th Division of the Pacific, was found dead Tuesday afternoon at the home of his daughter in Lafayette.

His body was found in the swimming pool of 4019 South Tilden Lane, Lafayette, home of his daughter, Mrs. Conrad Walter.

General Bradley was 65 years old. An autopsy was performed at the Chapel in the Valley, Lafayette, to determine the cause of death. A coroner's preliminary autopsy report said the general apparently died of drowning, but did not completely rule out the possibility of a heart attack or other natural causes.

Military funeral services will be held at 2 p.m. today at the Presidio.

GENERAL BRADLEY was a 1914 graduate of West Point and a personal friend of President Eisenhower.

Lafayette Sunday from his home in Rolla, Mo., to visit his daughter and see his first grandchild, Mrs. Walter's 3-week-old daughter.

Mrs. Walter told Deputy Coroner Emmitt R. McKeegan and sheriff's deputies that she saw her father swimming in the pool at about 3:45 p.m. Some 10 minutes later, after feeding her baby, she found her father lying face down on the bottom at the 9-foot end of the pool.

Unable to raise him to the surface, she summoned a neighbor, Mrs. Elizabeth C. Bailey, who called the Lafayette Fire Department.

Capt. Eddie Allen and Fireman Norman Savoy arrived with a resuscitator promptly. Allen, fully clothed, dove into the pool and, with the aid of Savoy, brought the general out.

RESUSCITATOR efforts proved futile, however, and Dr. Kenneth Caldwell pronounced the general dead at 4:15 p.m.

Mrs. Walter said her father had been under medical treatment at Brooke Army Hospital at Fort Sam Houston, Texas, for what she thought was a heart condition.

Survivors, in addition to General Bradley's daughter and granddaughter, include his mother, Mrs. Mary Bradley, and his sister, Mrs. Irene Munson, both of Rolla, Mo.

Orinda Netmen Upset Rivals At Sacramento

Orinda Country Club tennis players met the Sacramento Elks at Arden Hills Tennis Club in Sacramento July 23.

Big Upsets occurred in the Rocco and Hopkins matches. Bart Rocco of Orinda beat Jaymento, 6-4, 6-4. Jerry Hopkins of Orinda beat Ron Gantz.

Dick Stark, Orinda, lost to Dick Sheen, 6-4, 8-6.

John Freeman, Orinda, beat Roy Donaldson.

Alan and Roger Howard, Orinda, lost to Paraginski and Donaldson, 6-2, 6-3.

Jonathan Jensen and Tom Beatty, Orinda, beat Ron Gantz and Dick Sheen, 6-0, 6-0.

Orinda Country Club will play Garden Hills in Sacramento August 13.

The local players are coached by Kevin Merrick, pro at Orinda Country Club.

Skyway Repairs Needed; Seepage Held to Blame

The public Works Department will, in the near future, start corrective work on the pavement failures near the top section of the Cummings Skyway.

These pavement failures were caused by new subsurface drainage springs which were not apparent at the time of the construction of the road and for several months afterward. The most probable cause of these springs is the opening of subterranean cracks by the last heavy series of earthquakes a few months ago.

The water causing the trouble rises practically vertically in very localized spots and saturates the subgrade in the vicinity. Any water over this amount runs down the subgrade and causes resistance and subsidence.

This makes the problem of drainage very complicated because of the localization of the rising water. Holes a few inches apart will be wet and dry respectively. Therefore, an extensive blanketing of these areas will be required, along with an adequate subsurface drainage system.

The schedule for the completion of the Skyway is for work to commence in July, 1958, and be finished as soon as possible thereafter in order that it will be coordinated with the State's work on the Freeway, U.S. 40.

The State is providing an interchange on the Freeway and extending ramps out to meet future County work. When the County starts this work the existing section of the Crockett Freeway, at the summit, will get its "second story" of pavement, according to the schedule worked out at the start of planning the project.

Senator Answers Critics, Warns Of Fight Ahead

Contra Costa State Senator George Miller Jr. has warned California Democrats that they will have a fight on their hands regardless of whether the Republicans nominate Knight or Knowland for governor.

The Martinez Democrat spoke at a meeting sponsored by the County Federation of Democratic Clubs on July 18 in Martinez.

HE ANSWERED QUESTIONS and criticisms from Democratic club members concerning his own record in the recently concluded session of the state legislature and discussed the achievements and failures of the session.

The senator has been criticized in some labor newspapers and by a recent newsletter issued by the California Democratic Council for some of his statements and actions in the legislature.

He attributed the criticism to misinterpretation, misquoting and "power politics."

MILLER, WHO TERMED the California Democratic Council "a better organization than it was four years ago," said that a charge that he had "belied the CDC" was "a kingmaker's story."

Stammered from statements taken out of context when he chided Republican Senator Donald Grunsky during a debate on Miller's unsuccessful bill to abolish cross-filing.

Miller said he opposed the mandatory sliding scale provision of the oil royalties bill passed by the legislature because the optional sliding scale provision in a rival bill would have been more profitable for the state.

"Both bills upped the base royalty to 16 2/3 per cent, but the mandatory sliding scale goes only to 17 per cent, while the optional scale provision had no ceiling and provided for a possible bonus to the state. It would have meant more money for the state," Miller said.

HE EXPLAINED HIS failure to vote on the defeated fair employment practice bill as due to an oversight by a fellow legislator. "I was at a committee meeting in a room only 30 feet from the Senate floor when the vote was taken," Miller said.

He had asked for an opportunity to speak in favor of the bill before it came to a vote, and to be summoned when the vote was taken.

This was not done, Miller said, and added that if FEP supporters had been rounded up for the vote, the bill would still have failed, but the better showing would have improved the chances of an FEP bill at the next legislative session.

The Democratic state senator also stated that he had voted for a Workmen's Compensation raise to \$47.50 rather than \$50 because he had committed himself to the lesser figure in order to get the bill excerpted in the first place. He said that the bill which he supported contained important workmen's benefits not included in the other measure.

On the matter of the water controversy, Miller said that a genuine water shortage doesn't exist in southern California.

Your neighbors love their kids, too. Drive carefully in all residential areas.

Orinda School District Lets \$160,300 Bid

The Orinda School District Board has awarded a \$160,300 contract for the addition of three classrooms and a multi-purpose room at Sleepy Hollow School.

Ed Eoff Company of Richmond was awarded the contract which will be forwarded to the district attorney for final approval.

Held over until the next meeting was a decision on playfield paving at the Sleepy Hollow School.

O. C. Jones of Berkeley has submitted a low bid of \$4200.

County Library Featured in Library Journal

The Contra Costa County Library system is featured in the July 1957 issue of the Library Journal with an article, "Cost-Saving in Book Cataloging," by the County Librarian Bertha D. Hellum and A. J. Biggins, Principal Librarian of Technical Services.

organization of book processing effected within the last year to provide books to serve Contra Costa County's enormous population increase in recent years. Further, the account shows an increase in production with an actual decrease in salary cost. Savings were realized by a cost account study and installation of mechanical equipment.

A full reproduction of a map of the county, showing the county library's branches, stations and Bookmobile stops, a description of the organization, a picture of Mrs. Hellum, and a brief article covering her experience and background appears in another section of the July Library Journal.

Each month this periodical has a page describing some outstanding library in the United States, with a picture and thumbnail sketch of its librarian. This is an education service provided by Interlaken Mills, Fiskville, Rhode Island. In issues featuring other libraries in the country, pictures of the library buildings are shown.

Blount Active In Exercises

U. S. Naval Academy Midshipman second class Charles W. Blount, son of Mr. and Mrs. J. Prescott Blount of 56 LaCresta Road, Orinda, has been at the Little Creek Naval Amphibious Base, Norfolk, Va.

He was one of 850 Naval Academy juniors and 50 Royal Canadian Naval Cadets to undergo two weeks of amphibious training at Little Creek June 9-22.

The future Naval officers climaxed their training by participating in an actual amphibious assault landing at Camp Pendleton, Va.

In preparing for the landing, the midshipmen and cadets watched U. S. Marines make a landing and spent four days aboard ships of the Atlantic Amphibious Force.

Suzie Giem, 15, Captures U.S. Roller Skating Title

By JULIUS ROSENTHAL

New national roller skating champion in novice ladies' singles is 15-year-old Suzie Giem, daughter of Mr. and Mrs. Oscar Giem of 20 Crest View Drive, Orinda.

When she won the title July 24 at the American Amateur Roller Skating Championships at Oakland Auditorium, Suzie broke into tears.

"I feel pretty good about it now," Suzie told The Sun yesterday. "But when my victory was announced at the Oakland Auditorium I cried — because I was so happy."

"I'VE BEEN roller skating since 1949, when I was 7 years old — and I've participated in lots of competitions and have won second place and local first place awards."

"But this is the first time I've ever won a national first place award."

Suzie is a student at Miramonte High School, where she will be a junior this fall.

IN WINNING her national title last week, Suzie executed a number of fancy jumps, spins and pirouettes.

The competition rules require that the performer be in action for at least three and a half minutes, continuously.

The latest trophy won by Suzie is, of course, at the family home — and Suzie's mother and father and her 17-year-old brother, Norman, are almost as proud of it as is Suzie.

NORMAN, too, is an enthusiastic roller skater. Both he and Suzie have been trained by Mike LaTerra of Oakland, a professional skater.

Orinda Children Learn of Pigeons From Teacher

Members of the third grade at the Orinda School took a trip by bus recently to visit the pigeon loft of their teacher, Mrs. Audrey Dochterman in Pleasant Hill.

The children were able to obtain first hand knowledge of what homing pigeons are and the type of loft they live in. After visiting the lofts of "the prisoners, breeders and flyers," the children were served a barbecue lunch while Mr. Dochterman, vice president of the Martinez Pigeon Association, gave them an illustrated talk on Homing Pigeons.

As a prize Dochterman offered three pigeons to the three children who could write the best story or essay on what they had learned about homing pigeons. First prize went to Bill Hoake; second to Laurel Kernsten and third to Joan Gilbert.

Honorable mention went to Sharon Stone, Jon Miller, Kenneth Twinning, and Tommy Winburn.

Although both brother and sister have been roller skating for years, neither is contemplating a professional roller skating career.

Norman, a student at the University of California, where he will be a sophomore this fall, intends to be a nuclear physicist.

Suzie plans to go to college and possibly to become a laboratory technician or do some other kind of work in the medical field.

IN THE MEANTIME, the pert green-eyed brunette continues with the hard work of her roller skating.

"It's hard work as well as fun," she emphasizes. "I practice about six days a week at Rollerland."

In the national competition last week, Suzie represented the Rollerland Skating Club of Oakland.

Couple Entertain World Travelers

Mr. and Mrs. J. A. Marais and son Tony were guests on Monday of Mr. and Mrs. M. G. Farkasch of Lost Valley Drive, Orinda. Mr. Marais represents the British Government in Suva, Colony of Fiji, as Postmaster General, and he and family are on a trip around the world.

Prior to assuming his post in Fiji, Mr. Marais served his Government in South Africa.

Mr. and Mrs. Farkasch met the Marais at the boat and spent most of the day showing them the interesting spots around the Bay Area. They will stop off in Los Angeles to show Tony "Disneyland," then proceed on their way via the Panama Canal.

On Thursday Mr. and Mrs. Farkasch entertained with a barbecue. Mr. and Mrs. I. J. Reed and their twins Chris and Kay, here from Dhahran, Saudi Arabia. Mr. Reed is the geophysicist for Aramco Oil Co. in Dhahran, and Mrs. Reed is a sister of Mrs. Farkasch.

Before arriving in the States on this leave the Reeds enjoyed a short trip on the Continent and an ocean voyage, in contrast to their usual through flight. Two years ago before flying to California they bought a car and made an extended tour of the Continent, England and Scotland.

Mr. Reed will leave around July 15 and Mrs. Reed will remain here until late August, spending some time at the family cabin "Wee Lock Cottage" (Little Lake Cottage in Scotch) at Pinerest.

Acalanes Budget Hearing Is Monday; Tax to Rise

Final adoption of a \$2,269,701 annual budget for the Acalanes School District is scheduled for Monday night at Acalanes High School, after trustees hold public discussion on the matter.

The meeting will begin at 8 p.m. in the school located at 1212 Pleasant Hill Road, Lafayette.

The 1957-58 budget, as planned by school administrators, is about \$400,000 higher than for 1956-57, when the total was \$1,860,049.46.

IT is anticipated that the new tax rate will be higher than the current tax rate of \$1.61 per \$100 assessed valuation.

How much higher will depend on the new total assessed valuation figures for the district. These are not ready yet. The new tax may go as high as \$1.74. The rate limit is \$1.75.

The budget figures have been

prepared by District Superintendent Neil Parsons, Business Manager Ross Reagan and the district trustees.

They are Dr. Ralph Hall, Will C. Hall, William Freeman, Donald Mitchell and Mrs. Alice McBride.

THE NEW TAX RATE is expected to raise \$1,386,502 of the total expenditures for 1957-58. This is about \$150,000 more than that amount raised by taxes last year.

The increase will be borne mainly by a higher net beginning balance—\$335,036, compared to \$199,023.59 for the last year, and by higher state apportionment—\$532,167, compared to \$381,050.

The cost for instructional services for the new school year has jumped to \$1,185,330, compared with \$917,112.88 for last year.

A big increase is the cost of transportation of pupils—\$22,200 for 1957-58, compared with \$9,292.54 for the school year just ended.

THE REASON, according to Reagan, is that the district is bearing more of the operating expense and less of the capital outlay expense in the joint expense arrangement with the Lafayette, Orinda and Moraga Districts.

Other marked increases under expenditures and transfers include capital outlay from last year's \$250,971.86 to the new year's \$449,220, community services from \$9,242.26 to \$17,910 and operation of the school plants from \$123,992.83 to \$155,250.

Total expenditures under the "Building Fund" section are reduced from \$1,345,741.02 to a proposed \$1,181,193.

Total planned expenditures under "cafeteria" is \$139,496, compared with the 1956-57 total of \$113,536.42.

Realtors Add 'County' to Official Title

Members of the Contra Costa Real Estate Board on Monday voted to add the word, "County," to their official title, to avoid confusion on the national level.

The group was incorporated as the Contra Costa County Real Estate Board, but the "County" was dropped through usage.

The National Association of Real Estate Boards recently wrote the local members that the original designation is still on the national roster, and that the "County" should be officially dropped or else used every day.

Member Barney Gilbert reported at the meeting that plans are moving along for the new board office building to be constructed on Locust Street.

William Anderson reported on the work of his Public Affairs committee, including discussions by a newly formed tax sub-committee.

Board President Nick Carter reported that sales went well for the first half of this year.

Several members have already registered for the CREA Convention to be held in Los Angeles in October.

They include Pete Vacco, Bill Anderson, Nick and Marie Carter, Harlan Geldermann, Mildred Tinker, Nita Pasquale, Roberta Pierce, Eldora Elder, Wady Wadsworth, M. H. Binker, Marv Ross, Vany Knerr and Jerry Friedrich.

Central County Riders Entered In 'Fair Rodeo'

Contra Costa County will be represented by central county residents at the rodeo set for today and tomorrow in Antioch at the County Fair. Residents of Lafayette, Concord, Walnut Creek and Clayton are among the 150 entered.

CONCORD—Boyce Baker and Pistol Davis, team ropers.

LAFAYETTE—Ron Cass, bull rider; Jake Davies, saddle bronc rider; Don Flanagan, bareback and bronc rider; O. W. Van Cleave, calf roper.

CLAYTON—Ken Morgan, bull rider.

WALNUT CREEK—R. U. S. Frank and Don Santos, team ropers, and Tom Tarantino, calf roper.

July Is Record Month for Fire Calls in District

The Mt. Diablo Fire District has set a new record . . . but it is not particularly happy about it.

The district has answered more than 100 fire calls during the month of July, according to Chief Ray Mangini.

He noted that this is the worst record yet for the district, even though no major damage was caused by any of the fires.

Population growth always accounts for additional fires, Mangini said, declaring that more fires were answered in July than in the whole of 1942 which had a total of 87 blazes for the entire year.

Causes for the majority of the fires were blamed by the chief on carelessness and children. The latter, he said, accounted for an estimated 25 per cent of the total.

Area Students Get Degrees

Six area students will receive degrees today at 3:30 p.m., during summer session commencement exercises to be held at San Jose State College.

They are as follows: Thomas Heafey of Walnut Creek, bachelor of arts, social sciences; and from Concord, Mary Lou Butler, bachelor of arts, with general elementary credential, Geneva Lutz Cooper, bachelor of education with credentials, Woods Peters, bachelor of arts, English, Susan Schaller, bachelor of arts, occupational therapy, and Bob Thomason, master of arts, physical education.

Square Dance Group to Meet

The Square Wheelers will meet for their regular monthly square dance tomorrow at Parkmead School at 8 p.m. All interested square dancers at the intermediate level are invited.

Pot luck finger food will be served at the close of the dancing. This group is sponsored by the Walnut Creek Recreation Department.

RUTH MONTGOMERY of Pleasant Hill, William Layton, merchandising manager, and Blance Alencostre of Concord, prepare a table display for the grand opening of Kahn's in Concord at noon today.

Contra Costa Bankers Attend Regional Meet

Twenty-four Contra Costa bankers joined 300 bankers from Northern California, Utah and Nevada at the 23rd Annual Regional Chapter Bankers Conference held at Walker's Restaurant in Napa last weekend to discuss educational problems for the coming year of the American Institute of Banking, an educational division of the American Bankers Association.

The group led by Chapter President Gordon Scott of Antioch, included his wife, Richard Donovan, manager of the Bank of America, Pleasant Hill, and associate counselman of District 3; Elmer Venturini, national committee member, and Mrs. Venturini, Miss June Barwick, Mr. and Mrs. David Crane, Mrs. June Redstreak, women's committee chairman, Mr. and Mrs. Robert Gagen, Concord; James Lindsey, Pleasant Hill; Miss Janet Emerson, Orinda; Mr. and Mrs. Richard McBride, Mr. and Mrs. Al Stephens, Lou Bauman, second vice-president; Ira Pooler, Pittsburg; Mr. and Mrs. Lovell Scott, Mrs. June Wechman, Gerald Wells, Walnut Creek; Mrs. Rose Carone, Mrs. Dorothy Viera, Tony Negretti, Martinez.

The Mt. Diablo chapter, in an unusual skit, with banner and circulars provided by the Antioch Chamber of Commerce, bid for the 1959 Regional Conference, offering the El Rio Motel in Antioch as an official site. The bid was accepted and recorded in the minutes.

Eight Selected To Deans List

Eight Contra Costa students have made Stanford University's "Dean's List" for students attaining a grade-point average of 3.5 or higher for the year.

Named to the list were a total of 275 men and 151 women including the following six students from the central county area:

CONCORD: Maralyn Hazel Marshall, daughter of Mr. and Mrs. F. T. Marshall, 3459 Concord Boulevard.

LAFAYETTE: Daniel Keith Bacon, son of Rear Admiral and Mrs. B. E. Bacon, 1120 Upper Happy Valley Road; Carolyn Mae Gorth, 1154 Camino Vallecito; and James Edward Neighbor III, son of Mr. and Mrs. James E. Neighbor, 1065 Orchard Road.

ORINDA: John Augustus Bohn, Jr., son of Mr. and Mrs. John A. Bohn, P.O. Box 35; and William Houston Ruple, son of Mr. and Mrs. Joseph W. Ruple, Camino Don Miguel.

Doyle, Lincoln Head New Loan, Savings Group

Seeking a location in the Concord area is a new savings and loan association firm which lists Lafayette Assemblyman Donald Doyle and Assembly Speaker Luther Lincoln of Oakland as directors.

Articles of incorporation for the firm, the Contra Costa Savings and Loan Association, have been filed with Secretary of State Frank Jordan.

The articles call for capitalization of \$500,000 in shares of \$100 par value. Kermit L. Lincoln, brother of the assembly speaker, and six other men are also listed as directors.

Pay-As-You-See Firm Asks for Operation Permit

Permission to construct facilities throughout Contra Costa county was asked the Board of Supervisors by Skiatron TV Corporation of Los Angeles.

The pay-as-you-see system is considered by some observers to be one of the key factors in the proposed transfer of the New York Giants National League Baseball Club to the San Francisco Bay Area.

The request included the right to construct, operate and maintain wires, poles and other equipment for the closed television network. Allan Lane, vice president and director of the firm made the request for permit.

The supervisors directed the request to the district attorney for a decision whether the permit would conflict with county ordinances granted to Television Transmission Company to poor reception areas in the central and northern county areas. The franchise granted to the local firm includes a payment of two per cent of gains to the county.

When the opinion of the district attorney would be delivered was not announced by the supervisors.

PUTTING THE FINAL touches on a store mannequin at the new Kahn's in the Concord shopping center, which will open today, are Hal Buena, of the display department, and Kitty Carroll of Walnut Creek. William B. Johnson is the store manager.

Kahn's Slates Gala Opening For High Noon in Concord

Colorful. Exciting. Beautiful.

These are likely to be some of the first impressions of visitors when they see the vast interior of the \$3,500,000 new Kahns at Concord, as it opens at noon today.

As guests go from department to department and stroll through the huge floors, they will discover more and more unusual details to intrigue them.

THEY WILL NOTE the wide, spacious aisles that traverse the entire length and breadth of the store. They will see a panorama of California-keyed colors, ranging from rich royal violets and avocado greens to cheerful aqua, bright lemon yellows and persimmons. More than 100 different colors and harmonizing tones were used in the striking yet restful decorative treatment.

Dramatic lighting is one of the major features of the new store. Lighting engineers have planned the interior effects in keeping with the newest precepts of contemporary building.

Such innovations as daylight window effects are seen in the curtain department; proscenium lighting streams around the entire perimeter of both floors, and special sunken lighting effects appear in many departments including gifts, silverware, china and glassware.

Papsie Georgian Beaten at Meet

Papsie Georgian of Lafayette, national champion for the past couple of years in the 12-and-under solo category, was defeated Sunday night by Marcia Blizt of the Moose Club, at the Women's National AAU Synchronized Swimming Championships at Temescal Pool.

Eleven-year-old Papsie, representing the Athens Water Follies, tallied 70.14 points, but 12-year-old Marcia, the new champion, scored 72.31 points.

THE ATHENS Water Follies Athenians, for the 10th time in the past half-dozen years, emerged as the No. 1 synchronized swimming team in the United States.

The Athenians' total now stands at five national A.A.U.

outdoor and five national A.A.U. indoor championships since 1952.

PARTICIPATING in the meet on Sunday were eight members of the Soltau Synchronized Swim Club of Walnut Creek.

The team presentation was a number called "Sailor's Shenanigans," in which local participants were Betty Casady, Madeline DeKlotz and Nancy Stephens of Walnut Creek, Judy Lally of Lafayette and Judy Baumann of Orinda.

Also from the Soltau club, Sharon Stanton of Walnut Creek and Sandy Ferro of Lafayette performed a duet called "High Note."

Sunday was the final day of the three-day meet.

Here's your chance to experience the comfortable magic of a Sharkskin suit. Loomed and woven in Italy of genuine 100% virgin wool yarn. The ultimate in rich fabric, all heavy-gauge wool, and lavishly tailored. If you want to look like the director of your golf club, the owner of two Cadillacs, come in and try one on for size, and feel comfort like you've never felt before.

We say it again. There just isn't any other store like

Johnny's. Nothing pretentious about us, except the quality of the clothes we sell. They're the finest obtainable, regardless of price. And we sell everything at cut price. No charge accounts, no chain store stuff here. Just lots of good clothing.

Every garment displays a tag with both prices. That suit in 100% virgin wool by Forstmann, with a rich herringbone pattern, for example, has two prices: \$85 at all fine men's stores, \$60.67 Johnny's price.

Go to Church Sunday

Convenant

Lafayette Covenant Church, Brook Street and Moraga Road, Lafayette, will hold its Bible School Monday morning at 9:30. Ages 5 to 14 are invited.

Miss Evelyn Jacobsen will be in charge, with the theme "Pioneering With Christ."

Sunday—9:45 a.m., Sunday School for all ages.

Sunday—11 a.m., Morning Worship, with Rev. Algot Ohlson.

Sunday—7:30 p.m., Evening Service.

Wednesday, Prayer Meeting and Bible study, 7:30 p.m.

Baptist

Sunday morning at 11 o'clock the worship service of the First Baptist Church of Orinda will be held in the Willows banquet room, with Joseph Noble as the guest speaker.

Noble is an executive with a large oil company, and is an outstanding Christian layman who is much in demand as a Bible teacher and speaker.

His message will deal with the practical aspects of the Christian life and will be of particular interest to those in executive capacity seeking Bible information.

This coming Thursday at 8 p.m., in the home of Pastor and Mrs. Bruce H. Parker at 2 Crestview in Orinda, there will be a one-hour Bible study class on "The Christian and Salvation."

All are invited to attend every one of the meetings of the First Baptist Church of Orinda and particularly the 11 a.m. service Sunday in the Willows banquet room at Orinda Crossroads.

Baptist

"Will the Christian Face Judgment?" will be the sermon message Sunday at the First Baptist Church of Lafayette, 3653 Mt. Diablo Boulevard, Lafayette, at the morning worship service at 11 a.m. Sunday.

Nursery care is provided.

Sunday School will start at 10 a.m. The Evening Fellowship Hour will start at 7 p.m.

Wednesday Night Prayer Service is scheduled for 7:30 p.m. Wednesday.

Lutheran

"Beware of Leaven" will be the sermon theme of the Rev. Merle O. Tolleson of Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at the 8:15 and 11 a.m. worship services Sunday.

Holy Communion will be celebrated at both services.

A nursery is available during

the 11 a.m. service for children under the age of 5 years.

Monday evening at 7:30 the Youth Discussion Group will meet at the church. The discussion will center around the theme, "What Is My Life Worth?"

Tuesday evening at 8 o'clock the Board of Trustees will meet at the church.

The Midweek Bible Study will meet Wednesday evening at 8 o'clock.

Community

The Rev. Chauncey E. Blossom will preach Sunday morning at the 8:15, 9:30 and 11 o'clock services at Orinda Community Church (Congregational).

The sermon topic will be "They Built a Tower."

Special music will include a solo by Odette Weatherbe, with a violin obbligato by Ed Richards.

Patricia McGee will be at the organ.

Community Methodist

Lafayette Community Methodist Church, 955 Moraga Road, Lafayette:

Church School and Adult Bible Class 9:30 a.m. Sunday.

Morning Worship Services 9:30 and 11 o'clock Sunday. The Rev. Henry Page White will preach, using as his sermon theme: "Is Your Life Too Little?"

Monday the Official Board will meet at 8 p.m. in the Church Lounge. Frank Westfall is chairman of the board.

Monday morning Daily Vacation Bible School will open to all children of the community.

Registration starts at 9 o'clock or children may be registered previously by calling the church office, AT 4-4765, from 9:30 until noon. The theme this year is "Building Wider Relationships."

Presbyterian

"Name Above All" is the subject of Leonard Weeks' sermon for Sunday at the Lafayette-Orinda Presbyterian Church. Weeks is the assistant to the pastor.

Temporary meeting place is the Lafayette Park Theater, in Lafayette, and the service is held at 10 a.m.

Tuesday evening holds a special treat for those who will be attending the Prayer and Praise Service. The Rev. John Ninan from India will be the speaker.

He is pastor of the oldest church in Christendom, a Martoma Church in South India, and a favorite speaker of all who have heard him.

Time: 8 p.m. Tuesday. Place:

THIS SERIOUS traffic hazard at Charles Hill Road, Tahos Road and Mt. Diablo Boulevard will be eliminated when the final leg of the Diablo Freeway is completed. At present motorists from the Altairinda area merge with commuter traffic and a serious tieup often occurs.

'Bridge' Topic Of Van Meter

The Lafayette Rotary Club at its regular weekly luncheon yesterday at El Nido heard George Van Meter speak on the events which led up to the building of the Carquinez Bridge.

Van Meter stated: "The Carquinez Bridge, started in 1923 and completed in 1927, was the first to span Bay Area waters. At the time of its completion it was the highest, longest and costliest bridge west of the Mississippi River and is still one of the six largest cantilever bridges in the world."

"Before final victory, its backers faced grief and disappointment, legal and financial difficulties, as well as opposition from high government agencies. It was the critical opinion of many experts that the straights could never be successfully bridged."

The meeting was conducted by President Jack Marchant, who also introduced the speaker.

Ed Cary, world traveler and local real estate broker, will discuss the trials, tribulations and bright spots of traveling in South America as a tourist at next Thursday's meeting.

Home of Mr. and Mrs. Chaney Jones, 4050 Marianne Drive, Lafayette.

High schoolers should plan now to attend the big "Back to School" Conference beginning September 8.

Leaders will be a team of athletes headed by George Sellick, 1955-56 captain of the Stanford basketball team and All-American. He is a popular and outstanding youth conference speaker.

A Bible Class for women is held on Thursday evenings at 8 o'clock at the home of Shirley Schneider, 765 Duke Circle, Pleasant Hill.

High School and Junior High Church School is held at the Veterans Memorial Building Sunday mornings at 10. Other ages meet at Town Hall. Nursery service is maintained at the home of Mrs. Brians, 1030 Brown Avenue, Lafayette.

Coming events include an all-church picnic on Saturday, August 17, and a Family Conference at Mount Hermon October 18-20.

Episcopal

Services on Sunday at St. Stephen's Episcopal Church, St. Stephen's Drive and Via Las Cruces, Orinda, will be Holy Communion at 8 a.m. and 10 a.m.

The Rev. John Blackledge, rector at St. Alban's Episcopal Church, Albany, will be the celebrant at both services and will deliver the sermon at the 10 o'clock service. The Rev. Albert Lucas, rector at St. Stephen's, is on vacation.

Nursery care will be available in the basement of the rectory during the 10 o'clock service. There will be no midweek service of Holy Communion during the absence of Mr. Lucas.

Biggest Summer Rec Ends Today

The 13th annual Summer Recreation Program of the Lafayette School District — and the largest one yet held — comes to an end today.

Over 1000 boys and girls were enrolled at the six school playgrounds, Recreation Director Ted Collins stated yesterday.

"THE FUND DRIVE was a complete success, with a total of \$1,595.35 being contributed to the program by school PTAs, individuals and civic organizations," Collins continued.

"The staff included 19 professionals and five volunteers."

Several hundred boys, girls, parents and friends attended yesterday's townwide "Fun Day" at Stanley School.

FEATURED were talent shows, arts and crafts exhibits, Junior Olympics, movies, and ice cream for the youngsters.

Contributing 800 free cups of ice cream were the following milk companies: Golden State, Carnation, Berkeley Farms, Challenge and Borden.

"I'd like to express my sincere appreciation to all those people who have contributed time and money to make the 1957 program a success," Collins said.

Rev. John Bonn Will Talk Here

The Rev. John L. Bonn, S.J., well-known author, will speak on the problem of juvenile delinquents at 8 p.m. Sunday at the home of Mrs. Vera Morton, 3788 Happy Valley Road, Lafayette. His talk will be entitled "Correction or Detention?"

Mrs. Morton invites any interested persons to attend. There is no admission charge.

Father Bonn is the author of "The Gates of Damemora" and other books, including poetry. He is a member of the Connecticut Prison Study Commission for the Reform of Prisons and is professor of humanities at Fairfield University, Fairfield, Mass.

Localites Set For Horse Show At County Fair

With 10 local entries, Lafayette will have a special interest in the outcome of the horse show to be staged at the Contra Costa County Fair in Antioch this weekend.

The California State Horsemen's Association Region 5 Eliminations were held last night.

Three horse show performances are scheduled in the grandstand on Sunday, closing day of the fair, at 9 a.m., 3 p.m. and 8 p.m.

Lafayette will be represented by 29 local residents in various contests and exhibits. Nine of them have entered the 4-H livestock exhibit and two more in the 4-H home economics exhibit.

Gates to the fair open at 10 a.m. each day. Admission is \$1 for adults and 50 cents for children under 14. There is no additional admission charge for viewing any of the exhibits or witnessing the outstanding horsemanship, rodeo and Sportsmen Revue programs in the grandstand.

In addition to the Sunday horse shows, a "Million Dollar" Parade at 1:30 p.m. also will help climax the four-day county fair.

Following is the complete list of exhibitors and contestants from the Lafayette Area:

4-H Livestock: Judson Clark, Gail Davidson, John Evans, Mark Evans, Thom Gritzer, Todd Grizner, Nancy Peterson, Richard Smith and Jack Wilson.

Horse Show—Jennifer Buttler, Marilyn Bonington, Ada M. Brown, Patty J. Cottle, Bernice Ellis, Jeannie Fredman, Rolling Ridge Ranch, Frank Samman, Jon Samman and Steve Vance.

Rodeo—Ron Cass, Jake Davies, Don Flanagan and O. W. Van-Cleave.

Miscellaneous—Mrs. F. C. Davison, Franco's Flower Shop and Orchard Nursery and Florist, floriculture; Lafayette 4-H Club, feature booth; Judith Phelps, 4-H home economics, and Sherry Rossi, 4-H home economics.

Las Trampas Pool Goal -- June, 1958

"Dive in June 1, 1958!" That's the goal of a committee encouraging memberships in a projected Las Trampas Pool, to be built at the northeast corner of St. Mary's Road and Hamlin Drive. Gene Brown is committee chairman.

Being sponsored by the St. Mary's Estates Improvement Association, the facilities are planned to include a 35-by-75-foot heated pool, a wading pool, life guard service, bath house, off-street parking, landscaping and fencing.

MEMBERSHIP will be limited to 200 families, according to Brown.

Memberships are open to residents of St. Mary's Estates and Silverado Estates.

Also eligible, after St. Mary's Estates and Silverado Estates have been polled, are a limited number of memberships for St. Mary's Road families north of St. Mary's Estates and the residents of the Glenside area and Lafayette Valley Estates.

TOTAL COST of the project is estimated at \$50,000. An option has been taken on the land.

Cost per member who joins is listed by Brown as: Membership fee, \$250 — \$50 down, balance to be paid \$25 per month, with the total to be paid in full on or before May 1, 1958.

Estimated annual cost per family will be \$30 to \$40, to cover operating expenses for the non-profit corporation.

July Jubilee Winners Told

Inez Long of Monroe Avenue, Lafayette, won the first prize of one-half a beef, and M. L. Griss of 1143 Nogales, Lafayette, won the second prize of a bicycle in the month-long "July Jubilee" sponsored by the Lafiasta Shopping Center.

Selection of the winners was made Wednesday evening at the Lafiasta Foods store.

Sam Napoletano was "July Jubilee" chairman.

Some 20,000 tickets were given out to participants during the "Jubilee."

Cunningham at New Location

Jim Cunningham Tire Service is now at its new location, 3608 Mt. Diablo Boulevard, Lafayette, between the Sea Food Grotto and Pioneer Village.

"We have moved into this attractive, convenient plant, just four blocks west of our former location on Mt. Diablo Boulevard, Cunningham says.

Cunningham states: "We will continue with the same finest quality recapping and the same finest quality products as before. Our expanded facilities enable us to serve you better."

\$25,000 Asked In Damage Suit

Mrs. Ruth Wiseman of 769 Arroyo Court, Lafayette, has filed a \$25,000 damage suit in Superior Court in Martinez against Anson Mills Averill of Box 321, Diablo, as the result of injuries suffered July 1 in an auto accident on Ygnacio Valley Road, a half mile east of the Oak Grove Road, Ygnacio Valley.

Mrs. Wiseman stated that she had tried to pass Averill but that Averill swerved over the center line at the time, forcing her into a walnut orchard and causing her car to overturn. She adds that she was pinned underneath her car and that she sustained hip and leg injuries.

Theft of Box Of Tools Told

Theft of a box of tools from the Chalk Construction Company yard, 1032 Stuart Street, Lafayette, was reported this week to the sheriff's substation in Lafayette by Leonard M. Chalk, owner of the firm.

Inspector Norman Wilson said that the assorted tools were missed before noon Monday.

Jr. Horsemen Take Trail Ride

The Moraga Junior Horsemen went on an overnight trail ride to Barbecue Terrace in Mt. Diablo State Park the weekend of July 20. There were 47 riders, and for the barbecue there were 35 guests.

The Moraga Junior Horsemen have the following officers:

Caroline Thune, president; Gail Correia, secretary; Butch Eznekier, treasurer; Harold Coffin, sergeant-at-arms.

The group is sponsored by a senior group—the Moraga Horsemen's Association.

The senior group has leased an arena site in Bollinger Canyon and hopes to have the arena completed this fall.

Suburbia Scribblings

By MARIE MONAHAN

Famous faces for our fairways?

PEOPLE ARE TALKING ABOUT . . . the "Gasoline Alley" fate for the area originally proposed as a Planned Shopping Neighborhood District of Nat'l acclaim . . . NINE service stations SOON within a half-mile radius, count 'em!

"MY FAIR LADY," some loving it, others, surprisingly, just SO-SO about seeing it! Milady's personal paint brushes on display at local hardware counters, brushes w/ House & Garden handles in pink, pistachio and yellow, proving SOMETHING. That the Lady of the House does MOST of the painting?

Coach Frankie Albert and his 49ers who launched training at St. Mary's College this week, a nice treat for the young fellas in your house . . . RUMOR that Notre Dame's famous Frank Leahy has bought a house overlooking the country club greens and that he has been invited along w/ MR. B. CROSBY to the Gold Invitational planned for Sept. 10 at Orinda, to which a long impressive list of pros have been bidden come, too!

OUT NEWEST Lady Realtor, Ruth (Mrs. Everett) Howe launching her career w/ a first sale the SAME day she passed the Real Estate Board Exam . . . Pat Patton, riding instructor at BUCKEYE RANCH, being the daughter of Pat Patton of same name who is Orinda's Golf Pro.

Trophies will go the rounds on mantels

PEOPLE ARE TALKING ABOUT . . . THE SPLASH made, swim-meet wise, by the Orinda Park Pool Team who copped honors and took home trophies from both the Aqua Rodeo at Livermore last wknd. and at the Valley Art Center-sponsored Jr. Olympics held in Lafayette last Sunday.

TWO SURPRISES at Livermore . . . One, that Mike Kersten broke the meet record for the "butterfly" in spite of spending most of the time resting in his "sleeping bag" after a gum-bleeding emergency visit to a Berkeley hospital 3:30 a.m. the morning before and NO SLEEP! Second, that Barbara Brush, entering as a complete novice, (never having placed in official AAU meets) took FIRST in all four events in which she participated.

TWO GOLD TROPHIES will go the rounds of Orinda, from bank-window-display to a place of honor in eight different homes . . . Sharing one will be Jackie Conda, Sandy Poulsen, Susan Schwatka and Linda Jordan who swam like deep-sea jet maidens in a 200-meter medley relay. Boys boasting gold-cup "temporary ownership" are Billy Cooper, Tim Pardini, Jerry Kirby and Mike Kersten who won the trophy for Boys, 10 & under in the 100-meter freestyle.

A bit of Americana . . .

PEOPLE ARE TALKING ABOUT . . . The back-to-normal relaxing dinner routine now that Summer Baseball League is over till another time . . . More successful than ever and lots of fun for the whole family it was . . . Station wagons lined up, fin-to-fender, for cozy spectating when the sun went down. Family dessert, POST-games, when EVERYBODY lined-up at Loard's for an ice-cream cone.

Canvas and sling chairs dotting the playground, w/ some smarties carrying Army blankets to ward off the unexpected chill . . . Dorothy Adie in a deck chair, doing a bit of "community home-work" while her husband Doug coached the team on which their son Scott played.

SIDELINERS included people like Lois Thompson, forever sewing like Madame La Farge and reminding many of us we should (and could!) be doing the same . . . The Bill Douglasses (Marge tanner than ANYBODY!) checking their chubby new Timothy asleep on the seat of their wagon.

Frank Gillespie and his sportive "That's LOOKIN' em over" cheer, HE, by the way, pres. of the new Orinda Tennis Club . . . Spencer Archer, one of the coaches, wearing a coveted blue SEALS cap (he who played for UC) and giving his "gang" pointers, the boys ALL EARS!

The League's splendidous sartorial team who were gifted w/ complete baseball uniforms, (the REAL McCoy!) and their coach's classic remark, "Gosh, fellas, I can't tell one of you from the other." Which is hard to do, indeed, even in the lesser uniform of caps and jerseys and jeans . . . Mildred and Seat Laws cheering their son's team, the Miles Stiffles shuttling from one school to th' other for their hardwood champs.

PEOPLE ARE TALKING ABOUT . . . The first tennis tournament, held by the new tennis club, w/ mystery partners drawing for doubles, and Frank Tebbis, (the Capwell's man) and Jean Ames netting themselves the championship over Babs Massie and Charles Ivy in the final plays, 10-8, 6-4.

Shh!—Suddenly its' so quiet! Bang!

The after-the-Fourth shhhhhmmer exodus that leaves shhhhhubria hushed and quiet w/ a WHERE IS EVERYBODY all-of-a-sudden feeling? The peace and prospect of no telephone calls for the Fred Twinnings (he's busy man on the vacationless Assoc. Board) who'll pack into the deep wilds and woods above Sonoma.

Elaine Pardini's notable absence at the pool last Tesday (she hasn't missed a day since vacation started) that was due to an early morning date at Albany Hospital, where she and Joe happily heralded the arrival of a fourth child, third daughter, who was not so tiny as her name Tina Marie might imply. New teeny lady weighed in around 8 lbs. 13 oz!

MILLENNIUM REACHED . . . For the Bill Roses whose rosy world now includes a second son, fourth child, (two boys, two girls) since new son's arrival Friday, July 25.

WEDDING BELLS . . . For Margaret Bryce (she works at the Toy Villa, who will be the new Mrs. Joseph Goodman after her marriage August 9 to the Berkeley man at the Church of the Wayfarer in Carmel. After a Carmel holiday, along the shore and in the Valley, the couple will be "at home" at 270 La Espiral.

Down that same surf and scenic way went the Jim Hendricks sons this week . . . The George Vureks among those taking in the traditional Bach Festival at Carmel. The Kirk Miles family had three weeks south at Newport. The Jerry Grimes' due home from Disneyland, which place is still tops on the summer agenda for many, incl. the Kenneth Geides, who'll take in the Mickey Mouse mecca as well as Santa Cruz and Palm Springs.

And they went thataway . . .

After refurbishing their Overhill Rd. home w/ a spanking new paint job, the Frank Leibolds (Frances is pres. of AAUW) will christen their new Ply. Station wagon w/ a camping stint in the high Sierras . . . It's a softer life, however, for the Arthur Johnsons of Glorietta, who'll make the tour to the Hawaiian Islands.

AND A WELCOME BACK to Dr. Howard Conklin after several years of Navy service . . . Another Welcome Home for the Jack Chamberlains, formerly of Monte Vista Rd. who were Gramercy Park residents in NYC for almost 3 years where they opened a Manhattan shop for their exclusive line of Frances Thompson (maternity) women's wear. The Chamberlains are SF dwellers for the time being, but the fact that they commute to dental appointments w/ Dr. Morton should be a sure sign that they might still return to Suburbia.

AND A FOND FAREWELL to Helen and Forest Hill, whose many friends will miss them on their soon-to-be Eastward move . . . Helen honored at a luncheon last Tuesday by Lo Glascock at her Park Lane home. (If you continue The Sun as you did in DC, Helen, we'll keep you well posted!)

PEOPLE ARE TALKING ABOUT . . . The mobs of localities who'll have the oriental makeup treatment for their parts in "mob scenes" of TEAHOUSE by the Dramateurs starting tonight . . . Among the mob, Geotly and Alvah Chapple, sons of the Jim Chapples, and Peter, son of the Paul Pollaczeks, (Ann tannest ever from a recent rustication at Echo Lake), Chris Romine, Becky Harris, and last, but certainly not least, the Charles GIBBS, En Masse, who will ALL have parts in the delightful play.

AND NOW, time for coffee and a piece of THAT B'day cake we baked early this morning for our youngest son's SIXTH . . . What a long day it's been!

ORINDA PHARMACY is now at its new location at Brookwood Road and Moraga Highway. Here is an exterior view of the attractive new store. Grand Opening celebration at the new location is being planned. —Sun photo by Mattson

Orinda Teams Close Baseball League Games

With completion of the Fifth and Sixth Grade League schedule July 25, the second annual summer recreation baseball program for Orinda boys has come to a successful conclusion.

Champion of the fifth and sixth grade division is Builder's Control, which, the evening of July 25, played a 5-5 tie game with Village Shoe Shop at Sleepy Hollow School field.

Village Shoe Shop ended up in third place.

In second place was Wright's Village Pharmacy.

THIRD AND FOURTH Grade League play and Seventh and Eighth Grade competition ended July 22, with West Transportation the champ in the third-fourth grade group and the Corpsmen in first place among the seventh and eighth graders.

Jack Clark, recreation director in charge of the summer baseball program, expressed thanks this week to the coaches and dads "who by their interest and cooperation helped make the baseball competition so successful."

COACHES of the first-place teams were:

Third and Fourth Grade League—Harvey Lowthian, Western Transportation; Fifth and Sixth Grade League—Al Thor and Frank Smith, Builder's Control; Seventh and Eighth Grade League—George Welch and Bob Thaman, Corpsmen.

The seventh and eighth graders played with a regulation baseball, while the third and fourth graders and fifth and sixth graders played with a 10-inch rubber-covered softball.

Third and fourth graders played at Glorietta and Del Rey Schools. Fifth and sixth graders played at Orinda and Sleepy Hollow Schools. Diamond for the seventh and eighth graders was at Pine Grove School.

HERE ARE FINAL standings in the Fifth and Sixth Grade League:

Here's What Some Orinda Folks Are Doing Now...

Mr. and Mrs. Elbert Wayne have had Dorothy Tughy of Glendale as their houseguest the past two weeks. The young lady enjoyed a surprise birthday party given for her by the Andrew Hartnolls of Orinda.

Marian and Bob Brown of Orchard Court have been to Lake County the past two weeks. On their property there they have been hard at it building a cabin.

Barbara and Elbert Wayne visited them over the long Fourth of July weekend. The Waynes with their daughter, Linda, camped on the edge of a stream and much to their delight and surprise, caught their limit of trout. Both families enjoyed water-skiing at Clear Lake.

Mrs. Anne Morley of Los Altos Drive graciously held open house at her home Thursday, July 11 and 12 for all members of the Women's Guild of Orinda Community Church. Seen enjoying the Morley's beautiful swimming pool were Estelle Gore, Frances Hafner, Fay Smith, Barbara Wayne.

Gathered around the cool lanai were Helen Gilmore, Hazel Frolich, Virginia Fish, Catherine

Tebbs, Eames Win Mystery Doubles Play

Frank Tebbis and Mrs. James Eames are the winners of the first annual Orinda Tennis Club's Mystery Mixed Doubles held Wednesday evening.

They defeated Charles Ivy and Mrs. Stan Massie at the William Brobesok court, 120 Sleepy Hollow Lane, Orinda, by a score of 10-8 and 6-4.

More than 40 men and women participated in the preliminaries. Partners were chosen by lot. The tennis was both good and bad, but a good time was had by all, according to informants.

The preliminary rounds were held at the Acalanes courts on July 20. The teams of Jim Miller and Mrs. Paul Stafford, and Don Tibbets and Mrs. Ernie Chilton competed in the semi-finals.

Moore Attends Nuclear Course

R. J. Moore of Orinda has recently completed a three-day nuclear energy seminar.

The seminar was held by Shell Oil Company to provide its West Coast lubrication personnel with background knowledge of atomic power and to acquaint them with problems encountered in lubricating machines energized by nuclear power.

Sessions were held in San Francisco Bay Area laboratories.

Orinda Pharmacy to Hold Fete at Its New Location

Grand Opening celebration of Orinda Pharmacy's new store at 50 Moraga Highway, Orinda, at the corner of Brookwood Road, will be held Thursday, Friday and Saturday of next week—August 8, 9 and 10.

In operation since May 31, the new store has about four times the floor space of the former store, owner Frank Delos points out.

In the new store Delos gives the same type of high quality service for which he has been noted for almost 16 years—since the fall of 1941, when he established the Orinda Pharmacy at 1 Moraga Highway (at the corner of Mt. Diablo Boulevard), where the store remained until it moved recently to its new and larger quarters.

PRIZES WILL BE offered to the public on each of the three days of the Grand Opening. In addition, Grand Prizes will be offered on Friday, September 13.

No purchases are necessary in order to be eligible for the prizes. Each visitor to the store will receive a ticket. All that you have to do is keep your portion of the ticket. The same ticket will be good on various prizes, including the Grand Prizes.

You won't have to be present when the prizes are announced, in order to win. Just hold on to your ticket-stub until the announcement is made. The announcement will be made on September 13.

Prizes to be given free to those attending the Grand Opening are balloons, vitamins, candy, sample cosmetics and—to the first 1000 visitors—baby palm trees flown in from Hawaii.

AT 7:30 P.M. each of the three Grand Opening Days, there will be selection of persons to win one each of the following: automatic toaster, electric hand mixer, car robe, bathroom scale, electric heating pad.

The Grand Prizes are an RCA Hi-Fi Console and two pair of \$25 Cosmetan Sun Glasses.

A Schaefer Snorkel Pen will be

Bob Eberhart Now in Bremen

Bob Eberhart, son of Mr. and Mrs. George P. Eberhart of Orinda, is spending his summer vacation in Bremen, Germany, where he is a student engineer in the city's electric power plant.

While in Bremen, he is living with a German family, and traveling on weekends to England, Holland and Denmark. He plans to spend several weeks before returning to college traveling through Austria, France, Switzerland and Italy with a classmate from Harvard University where Bob is a senior.

Bob obtained his position in the Stadtwerke Bremen through the Engineering Department at Harvard University.

He is a graduate from Acalanes High School with the class of 1954, a former member of the Young People's Symphony of Berkeley and a member of the Orinda Community Church.

THE ORINDA Pharmacy

has been elected president of the Bay Area Mortgage Association.

Delos is proud of the reputation he has achieved for having one of the most up-to-date prescription departments in Contra Costa County—with daily delivery even to Walnut Creek, and with emergency delivery at any time.

There are five pharmacists at the Orinda Pharmacy—Delos, Raymond M. Walsh, Lorne Cole, Arthur P. Starke and Eugene E. Thompson.

In addition, there are about a dozen clerks—both full-time and part-time.

Besides its noted prescription department, the Orinda Pharmacy's services include a complete cosmetics department and a liquor department which is four times as large as the one in the old store.

Mr. and Mrs. Delos live on Southwood Drive in Orinda. They have three children—James, 20, who is in the Army and is stationed at Ft. Benning Ga.; Marjorie, 15, who will be a junior at Miramonte High School in the fall, and Billy, 10, who will enter fifth grade at Del Rey School in September.

Duffel Elected President of Mortgage Assoc.

Joseph A. Duffel has been elected president of the Bay Area Mortgage Association. Duffel is vice president of the Morinda Corporation, Orinda.

Duffel lives at 9 Agnes Street, Oakland.

Elected vice president was Donald W. Mitchell of San Francisco Federal Savings; treasurer Vincent J. M. Holian of the Federal National Mortgage Company and secretary, Edwin L. Garthwaite of the Marble Mortgage Company.

The Bay Area Mortgage Association is composed of local mortgage men, under the age of 40, from insurance companies and their correspondents, commercial banks, mortgage loan brokers, and savings and loan associations.

James Hannan Now On Training Cruise

At sea aboard the battleship USS Wisconsin is Midshipman 3/c James T. Hannan, a student at Dartmouth College, and the son of Mr. and Mrs. James T. Hannan of 20 Los Vegas Road, Orinda.

He is on a summer training cruise to South America, Panama and the Caribbean Sea.

More than 2000 Naval Reserve Officer Training Corps midshipmen from 28 colleges and universities are on the six-week cruise, receiving on-the-job training in navigation, seamanship, engineering and gunnery.

The 11 ships of the summer's second midshipman training group left Norfolk, Va., June 19 and are scheduled to return Monday.

Families in Area Work Hard on Camp Facilities

More than 400 girl scouts in Diablo Valley are benefiting by the maintenance and improvement chores completed by family work crews during recent week ends at Camp Sierra Woodlands, under the direction of Charles R. Weidner of Walnut Creek.

Weidner, chairman of the site maintenance and development committee, was joined by area foremen plus 40 men and their families. On one weekend, 70 people were on hand.

Camp Sierra Woodlands, located in the Gold Lake Recreation Area of Tahoe National Forest, is operated by the Diablo Valley Area Girl Scout Council, a member agency of the Contra Costa County United Crusade, an affiliate of the United Bay Area Crusade.

THE DIABLO Valley area stretching from Orinda to Pleasant Hill has attracted more than 400 girl scouts. By increasing the sessions to four, the camp is able to accommodate a total of 400 girls. The waiting list is growing daily.

Miss Elsie Buckwald is camp director; Mrs. K. C. Hallson is chairman of the established camp committee and Mrs. Lloyd D. Fisher is in charge of public relations.

"These family-style week end work crews have been most productive and an interesting experience for all of us," Weidner said.

"In some instances fathers for the first time had an opportunity to observe the rustic environment of the camp where their daughters will be for two weeks this summer."

On Labor Day weekend a work crew party will again make the long car trip to close up camp. This will involve repair work and maintenance chores involving the volunteer services and time of possibly ten or more families, Weidner said.

AREA FOREMEN were S. E. Roycroft of Walnut Creek, Howard Prater of Lafayette, E. Charles Sedam of Lafayette, E. W. Wight of Danville, Ed Logue of Alamo, and Harry Betague of Lafayette.

Each foreman headed a crew of from five to eight. They included Mr. and Mrs. Charles Sedam, Linda, Martha, and Cynthia; Mr. and Mrs. Eugene E. Brown, Nancy and Susan; Harry Betague and Linda; Mr. and Mrs. Vern Kaufman, Linda and Ronald; Mr. and Mrs. Don Lasten, Nancy and Bob, all of Lafayette.

From Pleasant Hill were Mr. and Mrs. Howard Prater and two children; Mr. and Mrs. William Malott, Nanette and Mike; Mr. and Mrs. W. F. Sager and four children; Jim Foreman and Jim Jr.

Mr. and Mrs. Samuel E. Roycroft and one child; Mr. and Mrs. Roger L. Black and three children; Mr. and Mrs. E. M. Myers; Mr. and Mrs. R. Lieber and two children; Mr. and Mrs. P. M. Hin-

350 Take Part In Swim Meet For Art Center

Over 350 swimmers and their parents up and down the Valley, from Concord to Orinda, thronged to the Valley Art Center's Open Swimming Meet Sunday at the Powell residence pool in Lafayette.

Some of the many awards in the swimming competition went to Kim Olson, Marcella Diaz, Phil Simon, Donna Dererona, Bart Rocca, Ann Stone, John Ostrom, Barbara Gardiner, Jerry Kirsten, Dorna Olson, John Macpherson, Jane Manske, Mike Cooper, Sherry Wilson, John Ostrom, Joyce Bailey, Mike Hearn, Mike Kersten, Barbara Paulson, Don Navone, Penny Riser, John Ostrom, Sharon Sibley and Rick Miles.

And in the diving competition the winners with the first ribbons were Daphne Reed, John Pike, Cherry Esquibel, Bart Rocca, Bambi Reed, Al Arlsten and Mike Hearn.

Proceeds from the meet have disappeared happily into the Valley Art Center's rapidly growing building fund.

The success of the meet was due to the efforts of M. and Mrs. Edgar Manske of Danville, Rick Ostrom of Walnut Creek, Don Garlington of Concord and Mrs. Henry Anderson, Mrs. Frank Malley, Mr. and Mrs. Ralph Olberg, Mr. and Mrs. Radlings Simon, Mrs. E. F. Cardin, Mrs. Harold Powell and many others in Lafayette.

Builders Hit Housing Bill

John Osmundsen, Walnut Creek, President of the General Contractors Association of Contra Costa County, said today that the home builder associations of the Metropolitan Bay Area representing 750 builders expressed alarm at public confusion regarding the housing bill recently signed by President Eisenhower.

They point out that information released has created a general feeling that FHA down payments have been automatically reduced.

Such, however, is not the case, Osmundsen declared.

The housing bill provides for introduction of a new down payment schedule only after a determination by the FHA Commissioner that such payments are in the public interest. "On the national economy and on conditions in the building industry" as well as the availability of mortgage credit.

Donovan Will Teach Course

Richard Donovan, manager of the Bank of America, Pleasant Hill branch, has been chosen by the Mt. Diablo chapter, American Institute of Banking, to teach the initial course on "You and Banking" to employees of all banks in western Contra Costa county.

Donovan has, in the past, served as instructor of courses on Credit Administration and Money and Banking and as a panelist on many banking forums and seminars.

He is, also, associate consultant on the national committee of the American Institute of Banking, National Bankers Association whose main purpose is to educate all banking employees in advanced bank courses.

Volunteer Group Tells of Openings

The "Help Wanted" sign is out this week at the Volunteer Bureau of Contra Costa County.

Mrs. E. C. Sterling Jr., publicity chairman, said, "We have a job for everyone. If we don't have a request that suits your talents, we'll find one for you. Call us at YE 4-0424."

"Let us know your interests, the amount of time you can give, we'll do the rest."

She added, "There are agencies all over Contra Costa County needing volunteers as office workers, sky watchers, guitar teachers, pianists, youth group leaders, drivers."

Ted Gurney Is Cup Winner

Ted Gurney of Walnut Creek has been honored by fellow photographers at the Western States Photographers' Convention held last week at the Hotel Statler, Los Angeles.

He won a gold cup for a portrait entry in the print exhibit.

Six of Ted Gurney's photographs were displayed at the five-day convention, which attracted more than 1000 professional photographers from all parts of the country. Lectures were given by nationally known experts on all phases of advanced professional photography.

Accepted prints will be forwarded to the Los Angeles County Fair in Pomona where they will be entered in competition with photographers from throughout the world.

Air Reservists Tell of Changes

The Air Force's program for more efficient use of Reserve personnel, known as Match-merge has made necessary certain changes in the administration of the 944th Squadron, it was announced this week. Lt. Colonel William E. Winslow of Walnut Creek is squadron commander.

Lt. Colonel Wilfred N. Ball Jr. of 2 Donna Maria Way, Orinda, who until his transfer was commander of Flight A was moved to a new assignment at McClellan AFB and was replaced by Lt. Colonel Phillip Rutschow, 80 Rider Court, Walnut Creek.

Lt. Colonel Thomas, who has been assistant flight commander of B Flight under Lt. Colonel Melvin L. Giles was moved into the Squadron Training Officer slot in place of Lt. Colonel David C. Ross of Lafayette, who moved to the East Coast for business reasons.

Replacing Winslow as assistant commander is Lt. Col. Robert Nelson, 50 Elena Court, Walnut Creek.

Capt. Joseph W. Mixsell, Adjutant of 2764 Newell Avenue, Walnut Creek, has been transferred and the new squadron adjutant is Lt. Hector K. Hancock of 887 Palmer Road, Walnut Creek.

Filling a second office left vacant by Lt. Col. Ball as assistant Reserve Information Services Officer is Capt. Redmond Shea of 1673 Springbrook Road, Walnut Creek.

TUCSON

Tucson, Arizona, is one of the oldest Spanish settlements in the West and is the oldest town in Arizona.

'Frontier' Is Festival Theme

"Frontier Days" will be the theme of the 1957 Walnut Festival, according to Harley King, Festival Association president.

About 70,000 persons are expected to attend the annual celebration to be held September 19 to 22 in Walnut Creek, he added.

"The association board of directors and its committees have already made extensive preparations towards making this another successful community event," King said.

The prime motive for the festival is to provide community entertainment, but proceeds are used to develop youth recreational facilities of the area.

On The Lighter Side

By INA BLIESNER, YE 4-3818

Hello, News time again. Margaret Ann (Mrs. Colin) Brown was telling us the other night that she and Stella (Mrs. Robert) Boyle enjoyed a day in the city — especially, attending the huge fashion show in Union Square. They report that the clothes shown for fall were really stunning.

Al and Virginia McCann were attending the same party and Virginia looked "yummy" in a powder pink sheath with matching short jacket. Their daughter, Claudia, has been attending the summer season program which was a production of "Sleeping Beauty."

All of the parents were so delighted with the children's efforts that the McCanns are inviting their neighbors in Saturday for a repeat performance. Betty (Mrs. Bill) Talbot, a tall and gracious brunette, looked so lovely in a sunny yellow peasant-type frock.

Here and there around the state

South Fork, Trinity River. First they will pick up son, David, who has been spending a week or so with his grandmother at Lake Tahoe. The Allison are great fishing enthusiasts.

Tahoe again: The J. W. Mannie's recently spent four days there and had a wonderful time (who doesn't!). They entertained Roy and Jean Ader with a dinner party Saturday night. Jean is a Hummingbird.

Lucille Wright must be a very happy gal these days. Her husband, Geoffrey, will be a "land-lubber" for all of two and one-half months. He's with the Merchant Marines. Also, her mother, Mrs. Texas.

JANE CONNALLY HAS three boys — and when each has a birthday, Jane gives them a very special treat. The recent lucky one was 10 year old Dennis — whom she took to Santa Cruz for a four day visit. I'll bet that board walk was well travelled.

Now didn't Mr. Blanding's do something . . . ?

Betty and Calvin Hagstrom are so thrilled with building their new home. They will still be in Orinda — but are moving high on a hill where Betty claims that Mt. Tamalpais can be seen on a clear day. She says that she has enjoyed every moment of this venture — "though she had heard from others that it would cause many a headache. Of course, with a sunny nature such as hers, what else would one expect? Betty is an "Oriole" and active in many other projects — and is such a popular model.

Do you remember Jo Siquera, who was formerly associated with the Walnut Creek Recreation Center? He was the children's idol there. He and his wife, Marty, a former "Flicker," and three year old daughter, Denise, have been visiting in this area and reviewing old times with old friends. They are now living in Hanford and he is the recreation supervisor there.

MARALYN AND STUART Wight are oh! so happy over the arrival of tiny son, Craig. The John Vivicis, of Lafayette, flew with their five (the youngest is seven months old) to Portland the other day to attend the wedding of his brother and her cousin. Quite a family affair. Mrs. Zivic plans to stay on there for a three weeks visit with her mother. Poor John must go on with that old "every day living."

Pass the poi promptly, please

Mary Lou and Donald Priewe of Danville were hosts at a really fabulous party not long ago. The evening was designed along Polynesian lines. The 40 or so guests assembled on the large deck which overlooks a wooded canyon. Low tables were used for dinner and everyone sat (?) on cushions. The evening was balmy, as ordered, and when darkness came, many Luau Torches were lighted to enhance the setting.

A frisky little monkey and a Myna bird added to the atmosphere. Pan American pilot, Bill Salsberry, and his wife (guests at the party) supplied many of the items which added to the decor.

Several other Towhees (the Unit in which Mary Lou is very active) were there. Laurie and Ernie Abbes, for instance, and Jinny and Robert Cuenin, she looking sleek in her Chinese "Tea Time" costume. Lovely Nancy (Mrs. David) Purrington in a gorgeous sky blue sarong.

EVERYONE "WENT" SOUTH SEAS — especially Dr. George Thomas who came as a "pineapple picker." The Priewes have been vacationing, too. They and their children enjoyed so much being at the Berkeley Tuolumne Camp. Many of their friends, mostly from Diablo, were there at the same time. The Cuenins, the Jack Imries, the Bob Mainharts and the "Cless" Moores. All with children attached, of course.

Hear that Dottie and Bill Cary of Overhill Road, Orinda, are the hospitable and generous ones. They have a lovely new pool and have a clever idea for controlling it. When their pennant flies from the top of their aerial — the neighbors know that it is "Open House" time at the Cary's. But, oddly enough, the pennant never seems to come down!

Lois Staff, who is an enthusiastic student of California history, her husband, Harold, and their two sons have been touring the state from San Diego to Eureka (or visa-versa). What an education those

ENGAGED are Marcia Nordlund, daughter of Mr. and Mrs. T. G. Nordlund, 3345 Moraga Boulevard, Lafayette, and Henry Martin Park, son of Mr. and Mrs. V. H. Park of Belmont. They plan a September wedding. Henry is currently serving with the Air Force at Keesler Air Force Base at Biloxi, Miss.

Nettie Graham Feted At 80th Birthday Party

Mrs. Nettie Graham was recently feted at a surprise birthday party which marked her 80th birthday. Members of the Concord Business and Professional Women's Club served a potluck supper at the home of Geneva Brown, 1869 Granada Drive.

Those attending the affair were Eva Mulford, Ruth Peillett, Imogene McIlveen, Helen Hubbard, Frances Hunt, Bee McElroy, Cecile Kimes, Pat Stoddard, Martha Schale, Mrs. Graham's sister, Bessie Beede, Elizabeth Hulbert, Amerla Schenone, Sylvia Terwilliger and Dorothy Laube, president of the local BPW.

Mrs. Graham is a charter member of the BPW and was presented with pin, chain and guard with a gold "39" which represents the charter year.

Mrs. Graham was born July 17, 1877, in Denvell, Indiana, and came to Concord in 1924. She has been in business here for 26 years and her only son, Wymen, is associated with her in the State Farm Insurance Agency.

In addition to maintaining her business, Mrs. Graham is active in the Concord Chamber of Commerce, Mt. Diablo Rebekah Lodge, Order of Eastern Star of Walnut Creek, Home Department of California Farm Bureau and is as yet undecided as to her future plans.

boys must have received. A modern touch to the trip was a stop at — of course — Disneyland.

And furthermore, they learn things!

Betty (Mrs. E. C.) Bergen is full of enthusiasm these days about the summer school program in Orinda. Her daughter, Lynn, just returned from the fifth grade Nature Studies class trip to Echo Summit in the High Sierras. The trips are organized by the Recreation Director, Frank Isola.

The Bergens are amazed at the treasure trove of information which Lynn gleaned, and highly recommended this class to next year's fifth graders.

THE DIABLO JUNIOR Museum Alliance party at the Alex Lindsay's was, happily, a tremendous success. Barbara Lindsay wore the most exotic gown. The full-circle skirt and bodice were completely covered with large, colorful, embroidered birds of all kinds. Many Therapy Center members were there.

Some were — Kay and Ed Wanous, Nancy and David Purrington, Bobbye and Owen Williams and the Adrian Mendes. The Junior Museum's summer program will be winding up Saturday, August the third, with a Science Fair at the Walnut Creek School. A wonderful project. Good Luck!

Mayten Dance Theme Will Be 'Country Fair'

"Make Mine Country Style," a country fair dance, being planned by members of Mayten Branch, Children's Hospital of the East Bay.

Circle Saturday, September 28, 8 p.m., on your calendar for an outstanding evening of fun and relaxation.

Mrs. Roger Patterson, dance chairman, says "even the husbands are getting excited about the country fair."

THERE WILL BE fun-games galore, entertainment, food, and, of course, dancing.

A square dance exhibition will be followed by an "all-dance" Virginia reel.

A barbershop quartet, just back from national finals will entertain during intermission.

MAYTEN'S MEMBERS are busy preparing a booth to be filled with luscious homemade goodies and special home canned treats to be sold to a very lucky few.

The Lafayette Veterans Memorial Building in Lafayette will be transformed for the evening into a gay country fair by Mrs. Richard Neddersen and her committee.

Tickets will be available from all branch members and Mrs. John Everett, (CL 4-2685) or Mrs. Albert Johansson, (CL 4-5002).

Donation to benefit the children's Hospital for "Make Mine Country Style"—a gala, fun-packed evening—are only \$1. So don't your cottons and jeans for the real old-fashioned country fair.

Joyce Moroni Engagement Is Announced

Mr. and Mrs. Anthony Moroni of 190 Via Del Sol, Pleasant Hill, announce the engagement of their daughter, Joyce, to John E. Dobner of Nampa, Idaho, son of Mrs. Blaine Garner of Nampa.

The two met while attending Brigham Young University at Provo, Utah, last year, where Joyce was a freshman and John a sophomore.

The marriage will take place on August 23 at the Idaho Falls Mormon Temple at Idaho Falls, Utah. Only the immediate family will be present for the wedding ceremony, but there will be a reception afterwards for friends and relatives.

John plans on returning to the university in the fall while Joyce is as yet undecided as to her future plans.

AFTER THE CEREMONY Patrick Gates and his bride, the former Carol Ruth Bekins left for Lake Tahoe. The couple will live in Lafayette. Parents of both are Walnut Creek residents. The rites were performed at St. Mary's Church, Walnut Creek.

Nordlund-Park Betrothal Told

Mr. and Mrs. T. G. Nordlund, 3345 Moraga Boulevard, Lafayette, announce the engagement of their daughter Marcia to Henry Martin Park of Belmont, Calif.

Marcia is a graduate of Acalanes High School, class of 1956. She was active as a member of the Order of Rainbow for Girls, Walnut Creek Assembly 84, where she received the Grand Cross of Colors.

SHE IS ALSO a member of Almona Chapter, Order of Eastern Star. Her sister is Mrs. Herbert B. Hoover (Janice Nordlund) of Garden Grove, Calif.

Marcia is the granddaughter of the late A. A. Cummings, pioneer residents of Alameda, Calif., and the late Mr. C. D. Nordlund a September wedding.

He received his A.B. in Music and plans to go into teaching. Henry (Hank) is currently serving with the Air Force at Keesler Air Force Base in Biloxi, Miss.

Marcia and Henry are planning and the late Mr. C. D. Nordlund a September wedding.

Carol Bekins Weds Patrick Gates; Lafayette Is Home

A honeymoon at Lake Tahoe followed the recent wedding of Patrick F. Gates and the former Carol Ruth Bekins, both of Walnut Creek.

The ceremonies were performed at St. Mary's Church, Walnut Creek, before an assembly of family and friends.

The new Mr. and Mrs. Gates will live in Lafayette. **ON HER WEDDING DAY.** Carol wore a full length gown of white eyelet with a chapel train and long sleeves, and a fitted bodice with high round neckline of net trim with pearls.

A fingertip length veil was held by a crown of pearls. She carried her god mother's prayer book topped with a white orchid and streamers of stephanotis.

Mrs. William Dunn of San Leandro was her matron of honor, and Miss Barbara Laverty of Walnut Creek was the bridesmaid.

Best man was Bob Westlund of Oakland, and Bob Kleckner of Walnut Creek ushered.

PARENTS OF the couple are Mr. and Mrs. Elmer Gates of 1223 Juanita Drive, Walnut Creek, and Mr. and Mrs. Chester Bekins of 2702 Acacia Road, Walnut Creek.

The bridegroom's mother wore a gown of dotted swiss print made with puff sleeves, and accompanied by white accessories. She wore a corsage of butterfly orchids.

Buymanship School Starts Next Thursday

Buymanship School for Homemakers will begin next week in Walnut Creek with shopping tips for buying foods, clothing, home furnishings and household appliances.

Home Advisor Mary R. Williams, will be in charge of these sessions which are part of the University of California Agricultural Extension Program in Contra Costa County.

Three sessions will be held on Thursday evenings from 7:30 to 9:30 at the Walnut Creek Recreation Center, city park. This school is open to persons interested in better buying for family needs.

The first meeting will be devoted to Stretching the Food Dollar, next Thursday. Knowing standards for buying foods, including grades is important to the homemaker in selecting foods. These are some of the items to be covered at the first session.

Stretching the Clothing Dollar and outfitting the family will be the subject on August 15.

In this day and age of many new fabrics and blends of fibers, homemakers like to know what can be expected of dacron and cotton, or silk and cotton in a blend. Buying for easier care will be a part of this meeting.

The final meeting will be held August 22. This meeting will be on Spending the Home Furnishing Dollar for Home Furnishings and Home Appliances. Many appliances are purchased on credit terms.

All meetings are open for further information. Contact Home tural Extension Service Office at 960 East Street Pittsburg or by Advisor Mary R. Williams at the University of California Agricultural Extension HEMstead 2-6496.

Local People Sail to Hawaii
Local-area people vacationing in Hawaii include the Chauncey Ponds of Happy Valley, Lafayette, and the Joseph Fazio of Orinda. They were among the Islands-bound voyagers who sailed last week on the Lurline.

THERE'S NO TIME LIKE the good old summer time to get some practice putting in and that's just what these ladies are doing at the Orinda Golf and Country Club. Watching Mrs. Tom Carlson are Mrs. Lin Redpath and Mrs. John Mooney.

Annual Children's Photo Contest Starts at Capwell's

The annual Children's National Photograph Contest started on Monday and will run until September 7 from coast to coast.

A first prize of \$500 will go to the top winner. Second prize is \$250, and there will be 310 other cash prizes. The total prizes will come to \$5000.

Sponsors of the event in Oakland and Walnut Creek will be Capwell's-Oakland and Capwell's-Walnut Creek.

All children 14 years or under can enter the contest by being photographed in the Photograph Studios of Capwell's stores in Oakland or Walnut Creek.

A duplicate picture will be sent to the judges by the studios without charge.

Official rules and information for the contest are available at Capwell's in Oakland and Walnut Creek. Little Harriet Delaney of 1925 Foothill Boulevard, Oakland, was one of the fifth place national winners in 1956.

Personality and character, as reflected in the photograph, is all any child needs to be in line for one of the cash prizes. The contest judges have been instructed that beauty doesn't count.

A plain face with a sparkling personality will have as much chance at the prize as a pretty one—freckles are as important as dimples.

The national judges of the contest include Patti Page, Mercury recording star; Hugh O'Brien, movie star and TV's "Wyatt Earp"; Paul Winchell and Jerry Mahoney, famous TV comedy team; Charles M. Schultz, famous

Therapy Center To Be Studied During Institute

Mt. Diablo Therapy Center will study during an orientation training institute for rehabilitation counselors sponsored by San Francisco State College, Sunday to August 10.

The institute will be held in cooperation with the Federal office of vocational rehabilitation and State vocational rehabilitation agencies.

A study of the Center's facilities and the sheltered workshop will be made by 25 students and eight college staff members.

According to Dr. Harvey Williams, chairman, a panel consisting of Jay O'Brien, Robert Hall and Alda Bairo will discuss the utilization of the sheltered workshop by the community.

The obtaining of sub-contracts for sheltered workshop will also be discussed.

Mrs. Juanita Benoy, Center administrator, and Mrs. Irene MacDonald will represent the Center at the institute. Bedson Juett of the Bureau of Vocational Rehabilitation and George Benedetti of the State Department of Employment will participate in discussions on the transition of a patient from therapy, to Sheltered Workshop and finally, to competitive employment.

Snails Named as Awful Menace

The snail may be a dinner delicacy to the food connoisseur but he's a downright menace to the home gardener.

With his slimy body and brown house-like shell, this sneaky character slithers away during the day to take refuge under old boards, rocks, etc. . . and shuffles forth at night to prey upon vegetation in garden and field.

WRAPPING His slimy body around a choice leaf, he then shoots out his ribbon-like tongue which is like a flexible file with thousands of teeth on its surface and gobbles away the leaf. With 14,715 teeth per snail, it's no wonder plants disappear overnight, reports the Ortho Educational Service.

So for really effective control of slugs and snails, scatter a few handfuls of the pellets around your garden at night and notice the amazing results the next morning!

These Bug-Geta pellets are available at your neighborhood garden supply dealer. Make the control of slugs and snails a community affair so that the whole colonies of the pests can be wiped out faster.

Putting these modern chemicals to work for you in your fight against slugs and snails may one day cause gardeners to say, "Snails? Slugs? . . . Why can't we hardly get them no more!"

Bougainvillea Spread Joy Over Trellis, Patio, Locale

By THE GARDENER

Brilliant coloring and rapid growth are the two best recommendations for planting an evergreen Bougainvillea vine in your garden or next to your house, says the California Association of Nurserymen.

A strong, twining climber, the Bougainvillea has medium size green leaves with significant flower bracts set in the middle of three bracts or outer petals. From these bracts, the Bougainvillea gets its brilliant coloring of rich red, purple or orange which literally blanket the vine from tip to trunk.

IN SOUTHERN CALIFORNIA the Bougainvillea begins showing its brilliance in late spring and by the height of summer time it is blooming profusely in every area in which it thrives.

Because bright sun is the best friend of this evergreen vine, it is an outstanding plant for Southern California but it can, of course, be successfully grown in other parts of the state. If you garden where winter temperatures get quite cold, plant your Bougainvillea in a container and move it to a protected spot when cold weather arrives.

Another suggestion is to plant the vine against a warm wall or in a corner to give it the heat it needs. Wherever planted, always keep in mind the profuse rich and brilliant coloring of the Bougainvillea and be sure not to

Alaska Munitions Problem Told by Lafayette Major

"Problem—with a Difference" is the title of an article by Major Ulysses G. Stewart Jr. of Lafayette, chief of the Ammunition Division of the United States Army's Ordnance Corps in Alaska.

Major Stewart's Lafayette address is 3626 Bickerstaff Street. His wife, Katherine, and 12-year-old son, Ruggi, live here while the major is stationed at Fort Richardson.

Ruggi, who recently completed sixth grade at Lafayette School, will enter seventh grade at Stanley School in September.

MAJOR STEWART's article appeared in the March, 1957, issue of Army Information Digest, the official U.S. Army magazine.

What is the "problem—and what is the difference"—which Major Stewart stresses?

In his article, Stewart, who has been awarded the Bronze Star Medal and the Korean Service Ribbon with six campaign stars since he entered the Army in 1941, states:

"AT MOST POSTS, camps and stations in continental United States, an ordnance officer is assigned to keep a watchful eye on all ammunition, its handling and storage.

"In Alaska, however, this normally routine matter becomes a problem with a difference.

"Each individual unit commander has his entire basic ammunition supply physically on hand and is charged with its storage, inspection and maintenance.

EVERY TROOP commander thus finds that he has a direct, major responsibility in this field. Constantly he is made aware that he may be called upon to break out his ammunition and use it any time, for Alaskan combat units are on a continual alert status.

"Complicating the problem," Major Stewart continues, "is the never-ending battle against terrain and the elements.

"Dry cold, wet cold, snow, rain, thaws, ice, volcanic dust and mud are persistent invaders, and nature seems to unleash them all at once.

THUS FIGHTING the battle of munitions maintenance is not only the chore of the ordnance officer and his men; it's everybody's fight."

After describing various methods of storing and protecting ammunition in Alaska, Major Stewart says:

"Local conditions are under constant study so that ammunition may be stored as safely as possible, secure from the vicissitudes of wind, water and weather, yet accessible for any emergency."

Major Stewart concludes with the observation that "commanders of combat elements in Alaska will be faced for a long time to come with an additional duty—ammunition officer for their respective units."

Report Planned Engineers Say

"A report separate from the comprehensive investigations of the San Francisco Bay and tributaries" is being contemplated by U. S. Army Corps Engineers, according to a letter received by Congressman John Baldwin.

The letter was sent Baldwin over the signature of Brigadier General J. L. Peson, assistant chief of engineers.

July 1, Baldwin addressed the Army Engineers pointing out that the Public Works Committee of the House had approved a resolution authorizing the engineers to make a survey "to determine the feasibility of deepening the channel from San Francisco Bay through Suisun Bay."

The engineers' reply pointed out that the "studies" now being made with a hydraulic model of San Francisco Bay.

"Let me assure you," the letter concluded, "that every consideration will be given to budgeting of funds so as to be available for the deep draft navigation channel study when results of the model studies become available.

Pinard Named Prudential Man

Lawrence I. Pinard has been appointed agent in this area for the Prudential Insurance Company, announced Donald H. Fibush, C.L.U., manager.

A native of Illinois, Pinard was born in Chicago and attended public schools in Maywood and Springfield. He served with the U.S. Navy during World War II in the Pacific Theater and with the U.S. Army during the Korean conflict.

Pinard is former vice-president and secretary of the Walnut Creek Toastmasters and a member of the California Junior Chamber of Commerce.

According to Fibush, expanded operations are due to rapid residential and business growth in this area and will bring added service to Prudential policyholders.

Cancer Drive Exceeds Goal With \$51,269

The 1957 Cancer Crusade of the American Cancer Society's Contra Costa County Branch was the most successful yet, it was announced recently by E. E. Matheson, treasurer of the branch.

The local group raised a total of \$51,269 to attain 102.55 per cent of its campaign goal, he said.

Of this amount, \$44,575 was raised during the Society's April campaign, including a neighborhood solicitation in April. The remainder was received by the branch in the form of memorial gifts sent in by local donors at various times of the year.

Guy Spencer, Walnut Creek, was county chairman of the Cancer Crusade.

There is hope that the fund raised locally may raise even higher before the end of the Society's fiscal year on August 31, according to Matheson.

Forty per cent of all money donated to the American Cancer Society in Contra Costa County is used within the boundaries of the County for local programs of cancer control.

Social Security Laws Affecting Domestic Told

Changes made by the 1954 amendments to the Social Security Law with regard to domestic employees affected many people in this area, Morgan J. Shea, District Manager of the Berkeley Social Security Office, stated today.

The amendments that went into effect January 1, 1955 qualified domestic help for Social Security coverage if they make \$50.00 or more in cash wages from any one employer. Prior to 1955, such helpers were covered by Social Security only if in addition, they worked for at least 24 days for a single employer in a calendar quarter. This 24 day test no longer applies and it has not been in effect since January 1, 1955.

THE HOUSEHOLD employer is required to make Social Security payments on all domestic employees who earn at least \$50.00 in a calendar quarter. This includes baby-sitters, maids, governesses, handymen, cooks, laundresses, housekeepers, gardeners, janitors, furnace men, valets, butlers, chauffeurs, or other household help.

The law places the entire responsibility for making the Social Security tax payment for domestics on the household employer. It makes no difference if the employee does not wish to participate in the Social Security program, nor does age make any difference. The tax payments must be made.

HERE IS WHAT the law requires the householder to do:

1. Deduct 2 1/4 per cent of the employee's cash wages;

2. Add another 2 1/4 per cent from your own pocket (if you prefer, you may pay the entire 4 1/2 per cent, deducting none from your employee's wages);

3. Obtain from your local Internal Revenue or Social Security Office a form, which is an envelope, call "Employer's Quarterly Tax Return for Household Employees." You fill this in and mail it with the 4 1/2 per cent tax to your District Director of Internal Revenue. He then puts you on a mailing list and sends you a form near the end of each quarter;

4. At the end of the calendar year, give your employee an accounting in writing, of Social Security Payments made for him during the year.

The payments are due no later than the last day of the month following the end of each quarter; that is, the last day of April, July, October and January.

EACH REPORT is for a calendar quarter, and payments are made on that basis only. Only wages that add up to at least \$50.00 within a quarter count.

Shea stated that the employee is not required to do anything, except allow the 2 1/4 per cent deduction from wages and furnish the employer with social security number. Employers who forget to carry out their duties under social security are subject to a penalty, plus interest.

Employers who willfully neglect to file and pay, may be subject to fines or prison terms, or both in accordance with the law.

Democratic Women Stage WC Meeting

Members of the legislation committee of the Federation of Democratic Women's Club met at the E. W. Thompson home in Walnut Creek recently. Members were assigned various aspects of California legislation to study and report.

9th Annual Art Show Scheduled For Sept. 7-8

Valley Art Center's Ninth Annual Art Show will be held this year in Walnut Creek at the Jellott Building, 3406 Mt. Diablo Boulevard, on Saturday and Sunday, September 7 and 8.

A preview party for members and guests of the Valley Art Center will take place Friday evening, September 6.

A collection of about 50 paintings representing the best obtainable in the Bay Area and as far south as Carmel will be on display.

INVITATIONS to exhibit are also being sent to outstanding artists in the field of ceramics, weaving and sculpture. Taking advantage of the indoor setting this year, the show designers will exhibit paintings and other objects of art to demonstrate the effectiveness of original art as a complement to contemporary interiors.

GENERAL CHAIRMAN of the Ninth Annual Art Show will be the husband and wife team Mr. and Mrs. Parker Stack of Orinda.

San Francisco landscape architect Robert Cornwall will be in charge of design.

Other committee members include Messrs. and Mesdames Jack Buchter and William Vogt; Mesdames William Wilkinson, Freeman Bishop, John Hildreth, H. MacFarland and St. John Moran, all of Orinda; Messrs. and Mesdames Julian Stern; Mesdames Ernest Hoverson, John Martosoff and George Monheit of Lafayette; and Mesdames Robert Love and T. Strickland from Walnut Creek; and Mrs. Robert Condon of Concord.

A PURCHASE PRIZE will be offered for the best painting of the show selected by a judging committee.

The prize painting then becomes a part of the Art Center's permanent collection, which at present is on display at the Frame Shop in Lafayette, and also available for rental along with other oils and watercolors by outstanding Bay Area artists.

Diablo Artists' Group Explains Coming Events

Among the several guests attending the July Diablo Art Association meeting, was Mrs. Elizabeth Crust of Ancaster, Ontario, Canada. She was the guest of Mrs. Frances Whitman, association secretary.

The Canadian artist is visiting the home of her daughter, Mrs. Jeannette Hansen of Danville.

Several D.A.A. members are preparing paintings and craftwork for the Jack London Art Fair to be held in Oakland August 17-18. Anyone interested in participation should call Mrs. Diana Monk, MU 5-0933.

An "All-new-paintings" exhibit will be held by Diablo Art Association members at this year's Walnut Creek Festival September 20-22. After the Walnut Creek show, these paintings will be taken to the San Francisco Art Festival, early in October.

Two Walnut Creek artists are exhibiting in the Danville-Alamo area during the first part of August. Rolfe Williams is hanging several of his paintings at the Village Theatre in Danville and the Alamo Dental-Medical Center is showing paintings by Mary Kwiat.

Mayor John Connolly of Walnut Creek has announced that a \$25 prize will be awarded to the artist designing the new City Seal for Walnut Creek. The competition is open to any Contra Costa artist.

Further information may be obtained by calling VE 7-6093.

Junior College's Staff to Include Eight Newcomers

East Contra Costa Junior College's staff of 69 for the fall semester, all recently confirmed by the district governing board, will include eight new instructors.

They will include the following: Mrs. Phyllis S. Chiado, Phi Beta Kappa student and graduate of University of California who has been teaching in Las Lomas High School.

J. Philip Dalby, former Utah State University music and choral instructor, holder of an M.S. degree from the same institution, and former instructor in band theory at San Diego State College.

John L. Ewing, Captain U.S.N., who holds an M.S. degree in mechanical and aeronautical engineering from the University of Michigan, the former head of the aeronautical engineering department of the Navy's Postgraduate School, and at present, officer in charge of overhaul and repair at Alameda Naval Air Station. He expects to retire from the Navy this summer.

Mrs. Evelyn B. McCune, M.A. in history from University of California who is working toward the Ph.D. degree, and who for two years lectured on Korean history in the University's history department and extension program.

William C. Plumb, candidate for the M.A. degree in language arts from San Francisco State College this summer, former professional radio announcer.

Miss E. Marjorie Smith, graduate of the University of Washington where she earned the M.S. degree in physical education and for eight years a teacher in Washington schools.

Eugene Warren, M.A. in language arts and education from San Francisco State College where he was a general education instructor last year. He has also had three years' experience as a U.S. Navy communications officer.

Insurance Agent Gives Doyle Talk

Trev Burrow, Executive Secretary of the California Association of Insurance Agents praised Assemblyman Don Doyle very highly while speaking to the agents present at the County Insurance Association meeting, July 8 in Concord.

Don Doyle was scheduled to speak at the meeting also, but was absent due to illness. Burrow expressed that Don Doyle has contributed greatly in legislative matters in the field of education. Also, he has been of great assistance in the passage of bills which have helped to protect the public in insurance matters.

The Association voted to spend \$790 for the purchase of "Sparky the Dog" a five-foot talking dog, to be donated to the Contra Costa County Junior College who will administer its use in fire prevention work by fire departments throughout the county.

Local members present were Margaret Caudel of Concord; Ted Winslow and John Scaglioni of Pleasant Hill; J. N. Smith, Bob Schroder, and Gene Williams of Walnut Creek, and Carl Westlund and Neil Cornwall of Lafayette.

Realtor BBQ Is Planned

The annual barbecue of the Contra Costa Real Estate Board will be held on August 26 at Chubb's Humbles in Clayton.

Bill Hayward and Bob Clough have been named co-chairmen. Preparations are being made.

Schneider Goes For Convention Of Nurserymen

Jack Schneider, co-owner of Orchard Nursery in Lafayette, left July 19 for Miami Beach, Florida, to attend the American Nurseryman's Association annual convention which was held July 22-25.

Schneider was scheduled to arrive at the Fountain Bleu Hotel in Miami, headquarters for the convention, to attend a preliminary meeting regarding the formation of a Garden Center Association Chapter of the American Nursery Association.

Schneider appeared on a panel to discuss Garden Center operations and the formation of the Garden Center organization. Schneider is one of five delegates chosen from the state of California to attend the national convention, and was accompanied by Ernest Wertheim, famous nursery landscape designers.

On this return trip, Schneider stopped in New Orleans, Louisiana, to visit several garden centers in that city.

Donald Fibush Named to Insurance Post

Donald H. Fibush, 3350 Springfield Road, Lafayette, has been named manager of the new Mt. Diablo District for the Prudential Insurance Company of America.

Fibush will be honored at a noon luncheon next Friday at the Masonic Temple in Concord.

Present will be O. J. Wohlge-muth and Carl White, executive director of agencies for the insurance company.

Stockwell Topic Is County Plans

Richard Stockwell, planning director of the City of Concord will speak August 14 at the annual summer conference co-sponsored by the Contra Costa branches of the American Association of University Women.

The conference will be held at the Bermuda Room of the Richmond Auditorium.

Stockwell's topic will be "planning and development for Contra Costa County for the next 10 years."

Stockwell has a degree in landscape architecture and planning, and has done graduate work in city planning at Iowa State College.

He had for 2 1/2 years been an associate planner in charge of advance planning for Contra Costa.

The Walnut Creek AAUW will hold a family picnic on August 3 at the Marsh Creek Lodge. Mrs. C. D. Grove is in charge of arrangements.

Accountants Hold Meeting

The Diablo Chapter Society of California Accountants held the regular meeting at Stan's Brick House, Walnut Creek, July 22.

Newly installed President Harold Aggar of Walnut Creek reported on the State Convention recently held in Sacramento.

Ian M. Strange of Antioch who served Diablo Chapter as its president last year has announced that the Chapter had a net membership gain of 32 per cent during the year, largest percentage gain in the state.

Panthers Dropped 13-2 by Seahawks

Santa Cruz Eleven Overwhelms CC Football Hustlers

The Contra Costa Panthers, county-wide semi pro football team, will be looking for their first win of the season tomorrow night when they travel to Fresno to play the Valley Athletic Club Hellcats.

Defending Pacific Football League champion Santa Cruz handed the Panthers a 13-2 defeat in the opener, but coach Tony Pellegrini said he was pleased with the showing against the strong Seahawks club.

CONTRA COSTA, without a scrimmage or contact work of any kind this season, forced the Seahawks to play their regulars all the way and stopped a star-studded Santa Cruz running attack.

The difference was in the air with former Stanford quarterback Les Hopkins completing second and fourth quarter touchdown passes.

Santa Cruz went ahead 7-0 in the second period on Hopkin's screen pass to ex-College of Pacific fullback Jim Conover who raced 68 yards for the TD.

PANTHER LINEMEN Travis Berkeley, Jerry Gandy and Al Boot smeared the Santa Cruz quarter-back behind his own goal line later in the period for the Panthers' two points.

Hopkins took to the air again in the final period, hitting Tom Nelson with a 15-yard pitch for the winners' other score.

The Panthers, though hampered by poor pass protection and a badly-timed running attack, did not commit a single fumble against the onslaught of a strong Santa Cruz line.

Clayton Is New Hardtop Threat At CC Speedway

Pleasant Hill's Jack Clayton will be a new Contra Costa Speedway hardtop threat tomorrow night when the Bay Cities Racing Association resumes action at the county track.

Clayton brought out a new car last week and finished fourth in the semi-main. The Pleasant Hill pilot's former car will be driven by Dick Case, a Concord rookie.

A duel between Hugh Purdy of Santa Rosa and Gene Dudley of Napa is expected to highlight Saturday's program as each pilot goes after his fourth main event win.

Concord's Lichti Throws 1-Hitter in Legion Final

Hardluck righthander Ron Lichti won his second game of the season and cost Lafayette outright possession of second place in the highlight game of the final week of American Legion Junior baseball play.

Lichti whipped the Lafayette team 7-1 on Saturday and Harry Ellis Post or Richmond routed them 11-1 on Sunday to drop Lafayette into a second place season tie with Richmond and Harry Ellis.

LEGION CHAMPS El Cerrito bowed to the fast finishing Ellis club 5-4 in a Saturday game and Richmond trimmed San Pablo 3-2 in a pair of Saturday windup games.

El Cerrito finished the season with a two-game margin and a 12-3 record. The three second place clubs had 11-5 marks.

Lichti had a no-hitter going for six innings at Concord City Park on Saturday. He lost his shutout before his no-hitter when he

walked centerfielder Lou Marelo in the third.

MARCELLO ADVANCED on a walk and a fielder's choice and scored on an attempted double play.

Shortstop Bill Hansen spoiled the no-hitter in the seventh with a single off the hard throwing Lichti who struck out 15 batsmen and walked eight.

Lichti also made up for Concord's season-long batting weakness, walloping a triple with two aboard in the second.

THE CONCORD pitcher scored on Roy Barney's long fly. A single by Barney and a double by Mel Pape in the fourth gave Concord a 4-1 lead at that point.

Steve Jordan of Lafayette was tagged with both the Saturday and Sunday losses. Jack Chapman of Ellis held Lafayette to three hits on Sunday and hit a home run to help his own cause.

Bill Prince drove in three runs on two hits to lead Richmond's victory over San Pablo and Mike Tipton singled through the box to provide the margin of victory in Ellis' win over the league champions.

SOUTHPAW BOBBY Smith struck out 12 enroute to his eighth hit victory.

Redwood City Whips Concord Babe Ruthers

Concord's Babe Ruth all-stars ran into a hard-hitting smooth-fielding Redwood City team and were eliminated in the first round of the district Babe Ruth tourney at Palo Alto Friday.

After defeating the Contra Costa champs 6-2 in the opener, Redwood City went on to take the divisional title by whipping Mountain View 6-2 and Santa Monica 8-0.

IN THE CONCORD-Redwood game, Rhett Brandeburgh pitched six innings of shutout baseball and his teammates pounded 10 hits to give the peninsula team a 6-0 lead in the final inning of play.

A seventh-inning walk, single, sacrifice and a passed ball accounted for the Concord runs which were scored by Larry and Perry Zimmerman.

Redwood City tallied twice in the third, three times in the fourth and once more in the seventh.

L. J. HAUSS led the winners with a double and a triple, while Don Wiseman had a triple and a single.

Concord had six hits and one extra base blow, Eddie Johnson's double.

The Contra Costa stars committed five errors, while Redwood City played errorless ball.

Once underway, don't speed around sharp turns in small boats. Keep your craft under control and stay alert to spot other boats, or swimmers, or floating material which could damage your boat or propeller.

The skillful skipper can be spotted as he returns to the pier. He comes in slowly, stops his motor to let the wind or tide drift him into the pier, and has fenders and bow line ready.

Seamanship is emphasized in the USPS Piloting course. For information about free classes in this vicinity, write Cdr. LeRoy McKissick, 970 East 14th Street, San Leandro, California.

An immensely popular new family sport is rising rapidly all over the nation. Small and large boats of all types and descriptions, full of smiling, waving people, are dotting the waters wherever the depths are beyond wading level. The American family has taken to boating in a big way!

Most of the new skippers enjoying this safest of all family recreations do not seem to know that they are responsible for the welfare of their passengers and protection of their boats. But the wise boatman is careful how he steps aboard a boat, how he loads it, and how he pilots it.

GOOD SEAMANSHIP is a mixture of experience and knowledge. The knowledge can be obtained in many ways, including the free classes in small boat handling given by units of the United States Power Squadrons, national nonprofit educational organization. But the experience must be gotten by diligent practice and self-discipline.

Most outboard boats contain a decal which indicates the recommended maximum horsepower for that particular boat. Don't exceed this maximum! In getting into a small boat, step carefully into the middle of the boat, bending low and steadying yourself on the pier as you do so. Don't step on the gunwales (upper sides) of the boat, don't jump into the boat.

Get aboard yourself first, then lift your gear, motor, and any other equipment into the boat from pier. Distribute the weight evenly, including passengers, and lash supplies down. A stern-heavy boat will labor when under way and it is dangerous when making sharp turns. The skipper and his friends can protect themselves as well as the boat's gleaming varnish by wearing non-slip, soft soled shoes instead of the usual hard leather street wear.

OVERLOADING a boat unfortunately is a common practice, although this may lead to swamping the boat or unusual strain on the physical capacity of the motor. The law requires life preservers for each passenger under certain conditions.

In drawing away from a pier, remember that the turning circle of a boat swings the stern to the left as the boat turns right, and vice versa. Shove the boat away from the pier before starting the turn to make certain the boat will be free and clear.

Although it sounds elementary, don't go out in bad weather. This applies equally well to the owner of a 14-footer and a 40-footer. The sea is a fearsome thing in a storm, and even skilled seamen dread foul weather.

OUTBOARD MOTORS have the convenience of power, fuel economy, and low cost. They also create certain problems. For one thing, the smart skipper fastens his outboard motor to the transom with a chain or sturdy line. If the clamps slip, the motor will not be lost.

Farr's T.V. Dropped By Quaker State At Mounment

All teams in the Women's Night Owl league at Monument split their games winning two and losing two apiece excepting Quaker State and Farr's T.V.

Quaker State took four from Farr's putting Martin Bros. in first place.

High game was rolled by Carlene Whitaker, Quaker State, 174. High series by Lois Bowlen of Davi Jewelers, 467-168, 134, 165.

In makeup games, Bill's Texaco took four from Quaker State and Bill's second game was a 623 scratch on a 544 average. Connie Pappardardo picked up a 5-10-8 split and Joy Bellman picked up a 5-9.

A meeting was held last night of women interested in forming a winter league at the bowl. Interested persons should contact Sally Kilgore at the Monument Bowl.

Top Drivers Opposed in Race Events

With Hugh Purdy, NASCAR hardtop star, back in action at Contra Costa Speedway, the Bay Cities Racing Association boys are losing their monopoly on the feature races.

Last Saturday night Purdy took the 25-lap main event, his third feature victory of the season. Only Gene Dudley has been able to equal that record at the Walnut Creek oval.

Tomorrow the two consistent winners will duel for their fourth checkered flag in another 25-lap main, top event on a complete nine-event program.

With the clay-surfaced track in the finest shape of the season there is a definite possibility either Dudley or Purdy will crack the 16-second mark in the time trials and collect the added \$125 put up for the feat.
